Advertising is free for use by many students: account linked to university’s blackboard, facebook groups, ...

It’s free for students. Developing financed by sponsorships from local businesses.

Not just a service exchange, but also a cultural exchange.

Can be expanded to other universities, student communities and other communities in general.

Thank you for your attention!

Any questions?

Team members: Andrei, Evangelis, Maria, Stavros, Sunny, Wicak, Zheping.
Groningen

- Architecture students
- Housing shortage: even more difficult for international students
Skill-4-Skill

Skill-4-Skill is an app and online community where people offer a service in return for another favor.
Teamwork process

Team "Groningen 2" → Brainstorming on the problem

Brainstorming on presentation and poster

Team - App → Team - Services → Team - Advertisement

Team - Poster → Team - Presentation
