

Fly Me To

 **TU Delft**

Innovation

1 parachute is fine, but... You know what is **BETTER??**
2 parachutes! They are just **AWESOME!**

Safety

Destination ~~unknown!~~ **BIGGER** fins to achieve maximum **STABILITY**

Our Design

A combination of engineering theories and aesthetics...? **Hell no!** Just Google it and **REBUILD** it!

Sustainability

Sustainability is our **MIDDLE NAME**

A bigger Rocket with **HALF** the materials!

Our TEAM

engineers having **LONG** discussions and clash of cultures give birth to **PERFECTION!**
