GETTING ACQUAINTED WITH THE NETHERLANDS

Choosing the subject

We asked ourselves:
- Which problems did we face?
- What is the most important issue to be fixed?

Why?

How did we get there?

Objectives
- Help the international students adapt
- Match international students’ daily routines with those in Netherlands.
- Provide vital information when needed

Benefits

Learning

Multicultural
- Cooperation with different cultures is difficult but rewarding
- Possibility to practice English and understand other accents

Group project
- Finding new ideas is difficult and making everybody agree is impossible
- Big teams are more problematic
- Time is a big issue
