Hungry? Lost? Need a ride? Check out our App with a Map.

When we arrived in Delft we had trouble with a few things. We got lost, we were hungry and were bikeless.

App with a Map is our solution for new international students to navigate themselves around Delft without internet.

- Background
- Slides of the app
- Conclusion
- Don´t need Internet
- All the information that you need is right in your pocket
- Crowd sourced, created by students for students
- Ecofriendly (reduce the amount of paper needed for introduction programme)
Conclusion

- The TU Delft Survive App with a Map will facilitate the first few days of your life in Delft
