When you come from abroad, the first days you are lost in the city, you do not probably know where are the groceries, etc. Consequently, your fridge is empty and you have to look for food. It is not easy to find restaurants that are cheap and also where the food is delicious, when you do not know the city.

That is why we give you some tips about good restaurants in Delft…

"Great place in Delft. Good music, excellent food, a nice place to eat and talk with your friends!"

"Nice service, nice food (a lot of meat)."

**Tapas & Mezzes**

"We went there yesterday evening. The attendance was perfect as the food. We really enjoyed it. We could go there every week.

"Nice service, nice food (a lot of meat)."

**De Ruif**

"If you wanna have a good time, meet lots of new people, this is the place to be. And don’t miss the international nights on Wednesdays!"

"It is a pleasant place where you can have good time with your friends while eating and drinking. This is not too expensive and the food is delicious. Nice service."
