

An aerial photograph of a city, likely Philadelphia, showing a dense urban core with a grid of streets and a river winding through it. The city is surrounded by green spaces and water bodies. The text is overlaid on the image.

Ontwerp

An architectural rendering of a modern building complex. The scene is dominated by large, dark, textured rectangular volumes that form a courtyard. A person with long dark hair, wearing a white long-sleeved shirt and dark pants, is walking away from the viewer down a bright, white path that leads towards the buildings. The buildings in the background are multi-story, with a mix of grey and blue facades, and some windows are illuminated. The sky is a clear blue with a few wispy clouds. The overall aesthetic is clean and minimalist.
