This article [*J. Biomed. Opt.* **27**(10), 106001 (2022) doi: [10.1117/1.JBO.27.10.106001](https://doi.org/10.1117/1.JBO.27.10.106001)] was
originally published on 6 October 2022 with an error in Equation 4.

Original

$$\sigma_V(Y, R, G) = \sqrt{\sigma(Y)^2 + 0.278 \cdot \sigma(Y - R)^2 + 0.088 \cdot \sigma(Y - G)^2}$$

Corrected

$$\sigma_V(Y, R, B) = \sqrt{\sigma(Y)^2 + 0.279 \cdot \sigma(Y - R)^2 + 0.088 \cdot \sigma(Y - B)^2}$$

The authors checked their software and found that they had used the correct equation there,
so the reported results were unaffected by the typo. The article was corrected and republished on
8 July 2023.
