Master of Architecture, TU Delft

Explore Lab graduation studio 2024/2025

Design Mentor: Susanne Pietsch

Building Technology Mentor: Mauro Parravicini

Research Mentor: Olga Ioannou

The Territory of Preggio unfolds itself in time and space. The village, the hill, the valley, they are the story of a decision, they belong to a shared identity. Might they slowly reveal, unfold, dialogue. The more you flip through the pages, the more you go downhill, the more you understand the word.

Enjoy Preggio and it's silent lessons.
