

| | Week of | 18 january P2-) 8 march P3 (7 weeks) | |
|--|----------------|---|--|
| | 18 january | Week 1 | In the first week after the p2, there will be the focus on improving the remarks and processing the feedback given on the p2. This is the only thing which will be done this week given the fact that there is a resit of another course on the 26 th of January. |
| | 25 january | Week 2 | In the beginning of week 2, the more extensive literature review will be done on the labour market. The literature review will be followed by the source study in which the details of the labour agreement will be researched and written down. |
| | 1 february | Week 3 | In week 3 the focus will be on finishing the first chapter of the report which is the labour market, and writing down a conclusion and main findings on the labour market. In this week the interviewees will be contacted. |
| | 8 february | Week 4 | In this week I will start with the new chapter called the housing market. In the beginning an introduction will be written based on literature which will show which trends can be seen on the housing market. |
| | 15 february | Week 5 | After the introduction is written, the information on the rental market will be written down, this will take approximately 1 week because a lot of information can be derived from sources on the internet and the terms and policies of companies. |
| | 22 february | Week 6 | After the rental market is finished, I will start with the research on the owner occupied market and the first two paragraphs will be written down and the first half of the interviews will be conducted |
| | 1 march | Week 7 | In this week I will finish the interviews and process the information for the owner occupied market. |
