Popfoto

“A unique specialism, in which The Hague aims to join the ranks of the leading international players: pop music!”

City of Den Haag

Background

Supermarkt

Situation Today

- Closed due to financial reasons

The Future

- Centrally located
- A venue for around 250 - 300 visitors
- A space that meet the acoustic requirments for a venue in the inner city

Background

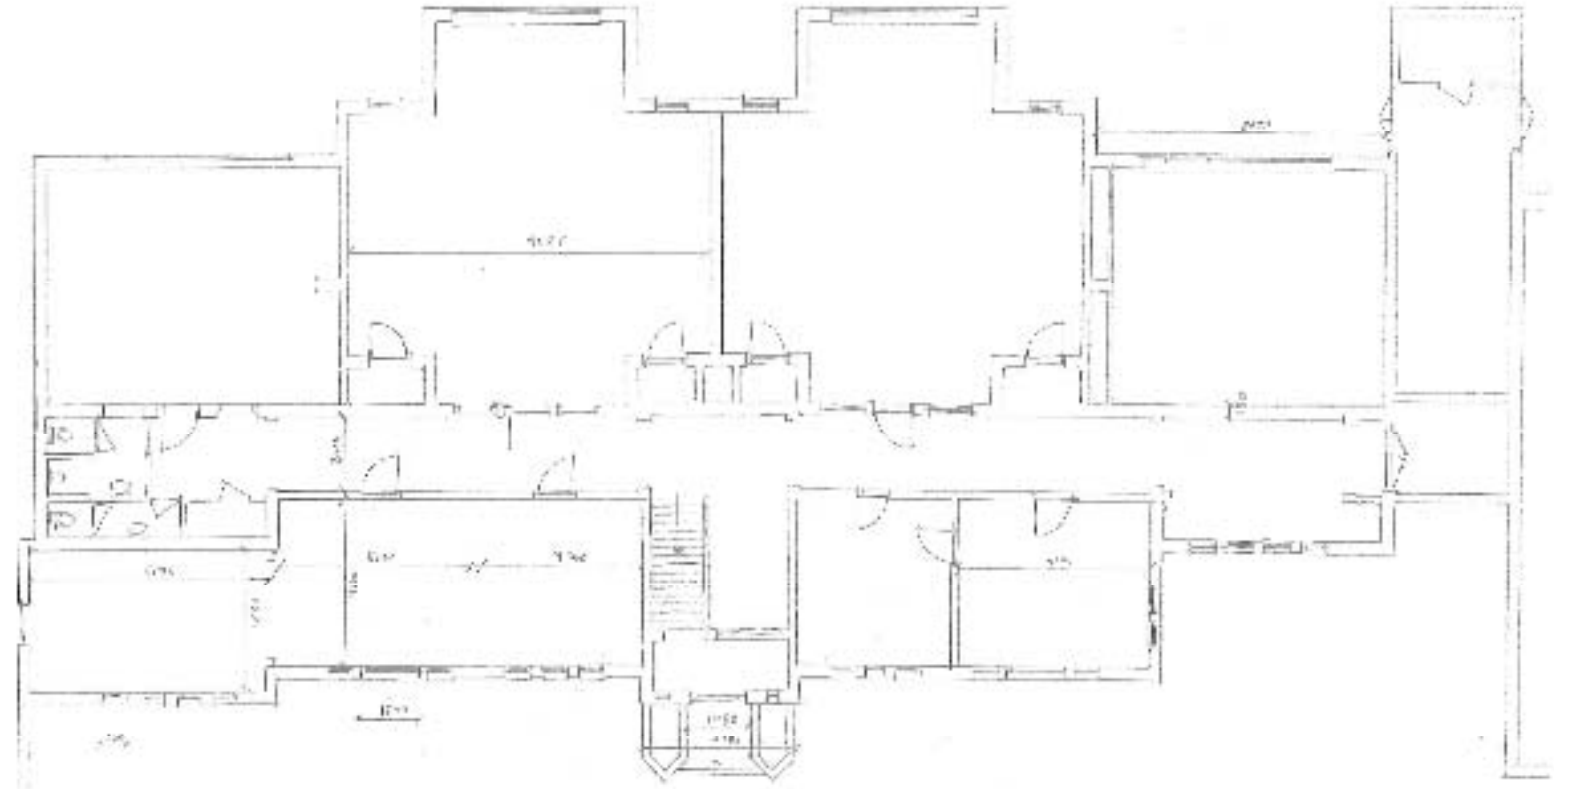

Den Haag Pop Centrum

Situation Today

- 4500 m²
- 15 rehearsal rooms of varying sizes
- A small stage
- Professional recording studio
- Facilities not suited for music practise

The Future

- Facilities better suited for music practise
- Connecting HPC to the city
- 20 different rehearsal spaces
- A more open and accessible café and a restaurant
- Stage with a capacity for 200 – 250
- Social space for musicians

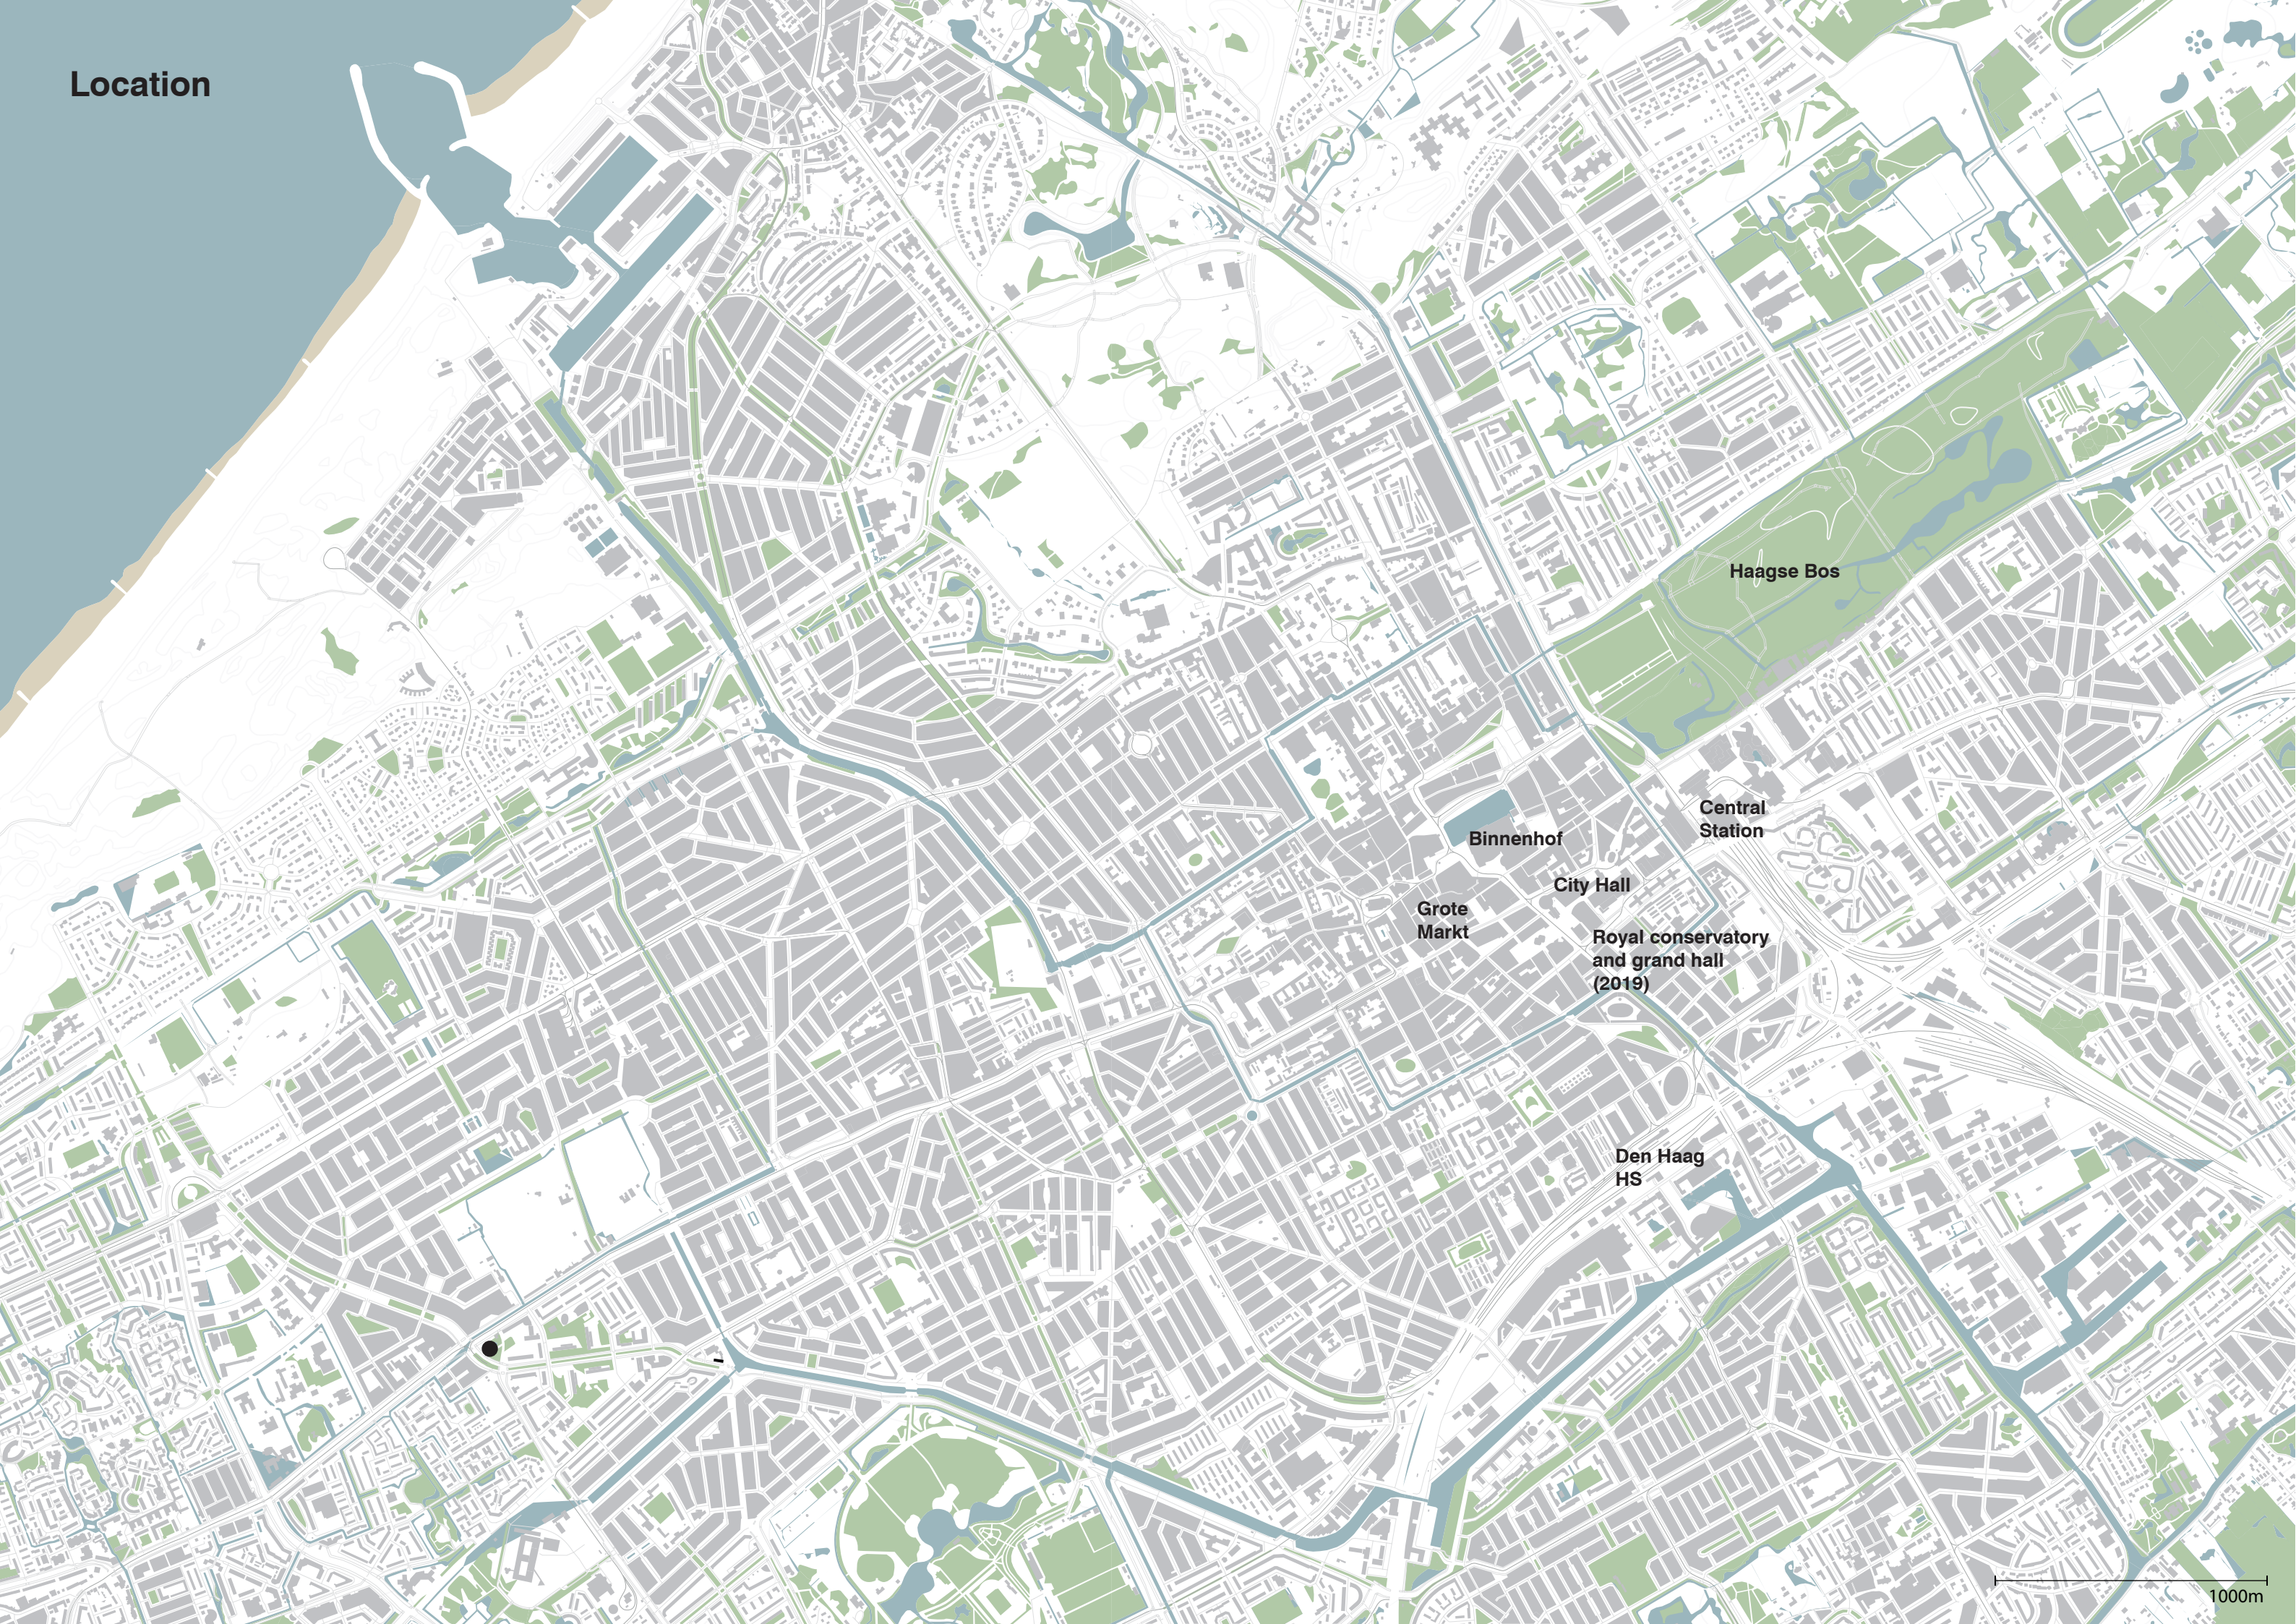

Location

Location

”The Hague has a supply of office space totalling 4,038,000 sqm. At present, the vacancy rate is about 12%, of which approximately 16% is A-grade office space”

Proposal

Proposal

This architectural section drawing illustrates a building complex with a large, open hall on the left and a multi-story building on the right. The hall features a high ceiling with a truss system and large windows. The multi-story building has several floors with rooms and balconies. The street level shows people walking, cycling, and using a stroller, indicating a public or community space. The drawing is a black and white line art style.
