Why Radobolja?

Problem statement

How can the lived experience and discern of an urban river both benefit from and deal with the change in the post traumatic landscape?

Why Radobolja?

Problem statement

Strong wide history

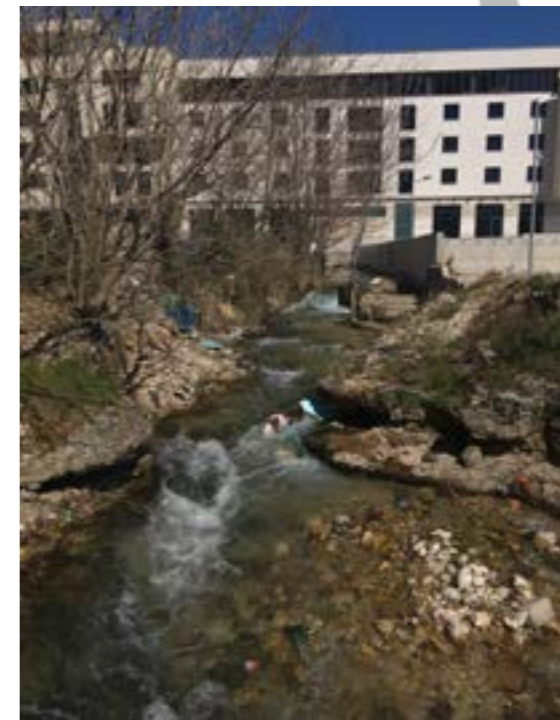

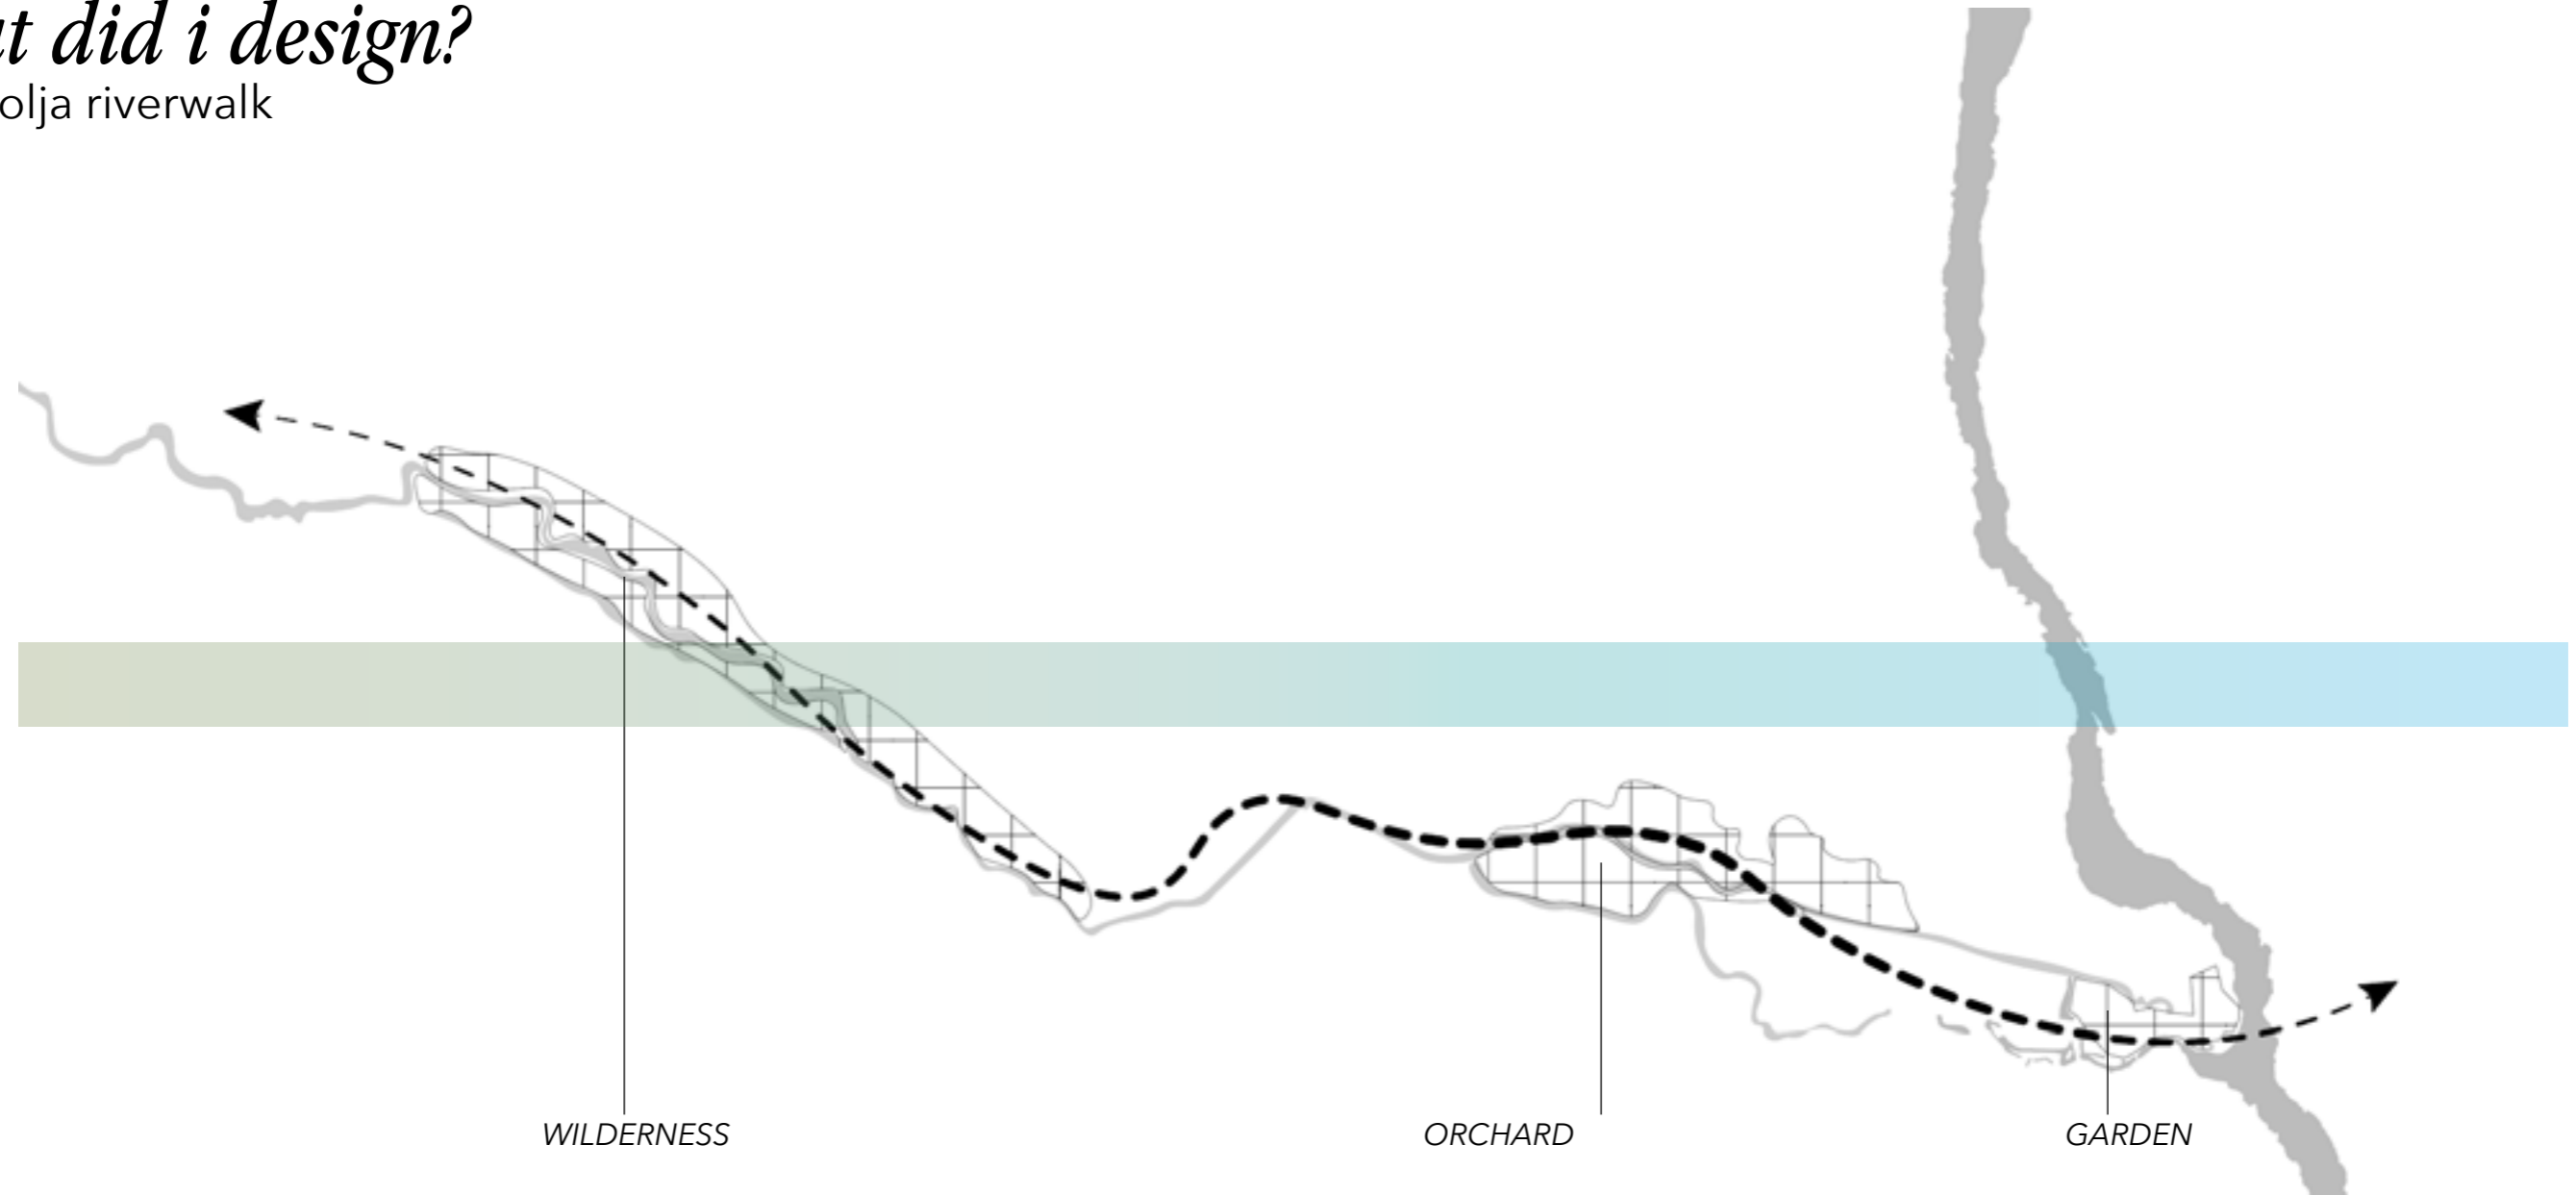

Only 5 km long

Flows through several different neighbourhoods

Ruza square

'The old city centre is taken over by tourists, and there is no place where you can socialise and just take a break'

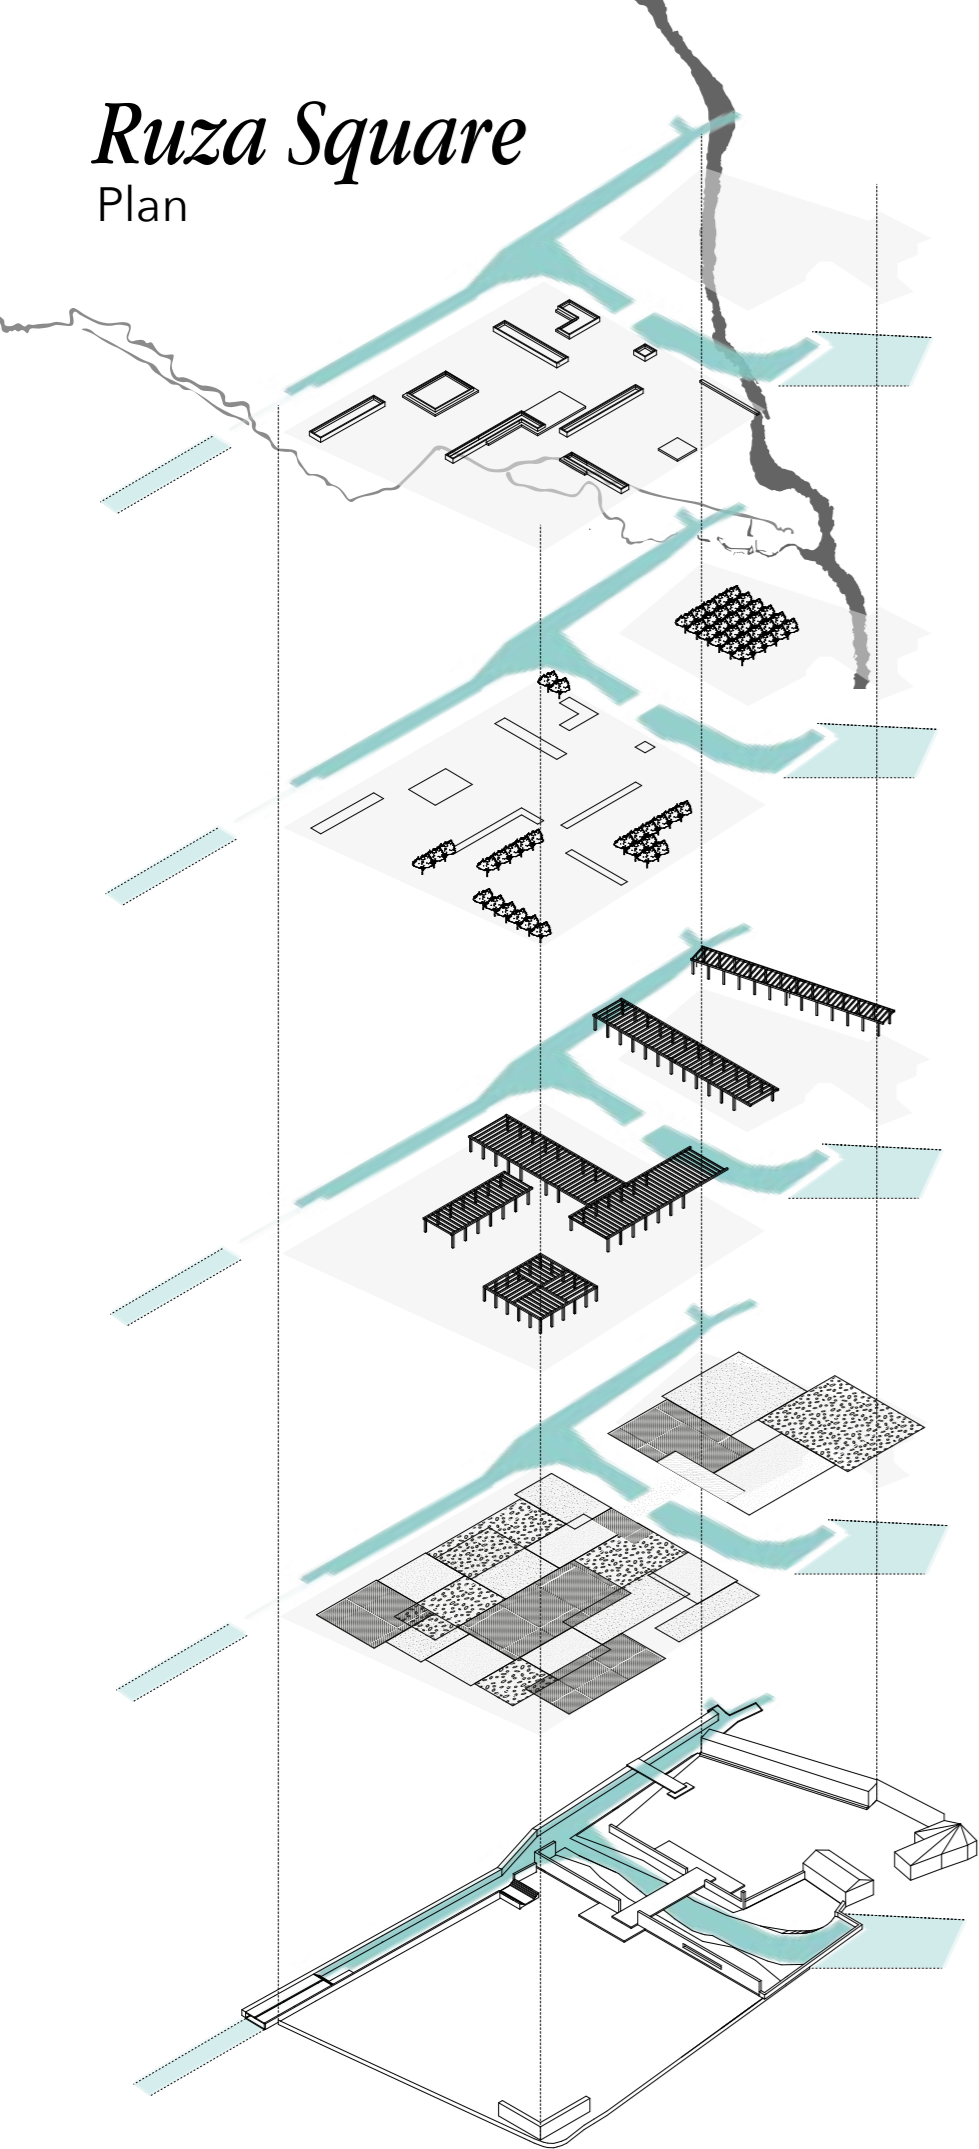

'The old Hotel Ruza was a place to meet people, to hang out, to drink with friend,'

'The inside of Hotel Ruza looked like a garden, it was like a outdoor meeting place but indoors'
