Level 7

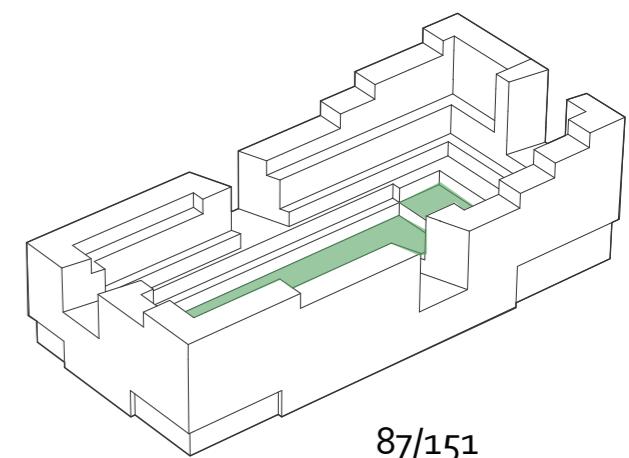

1: 250

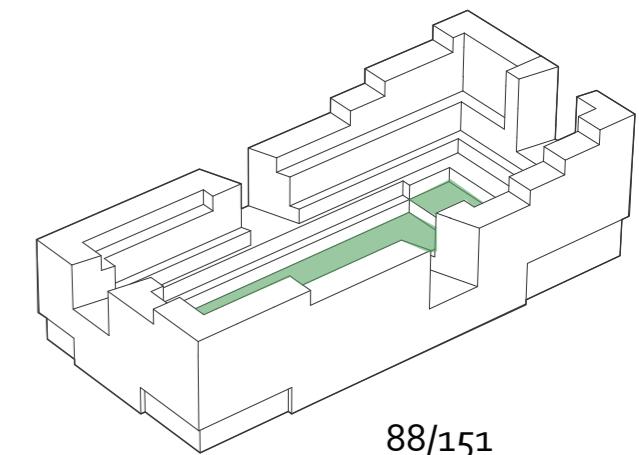

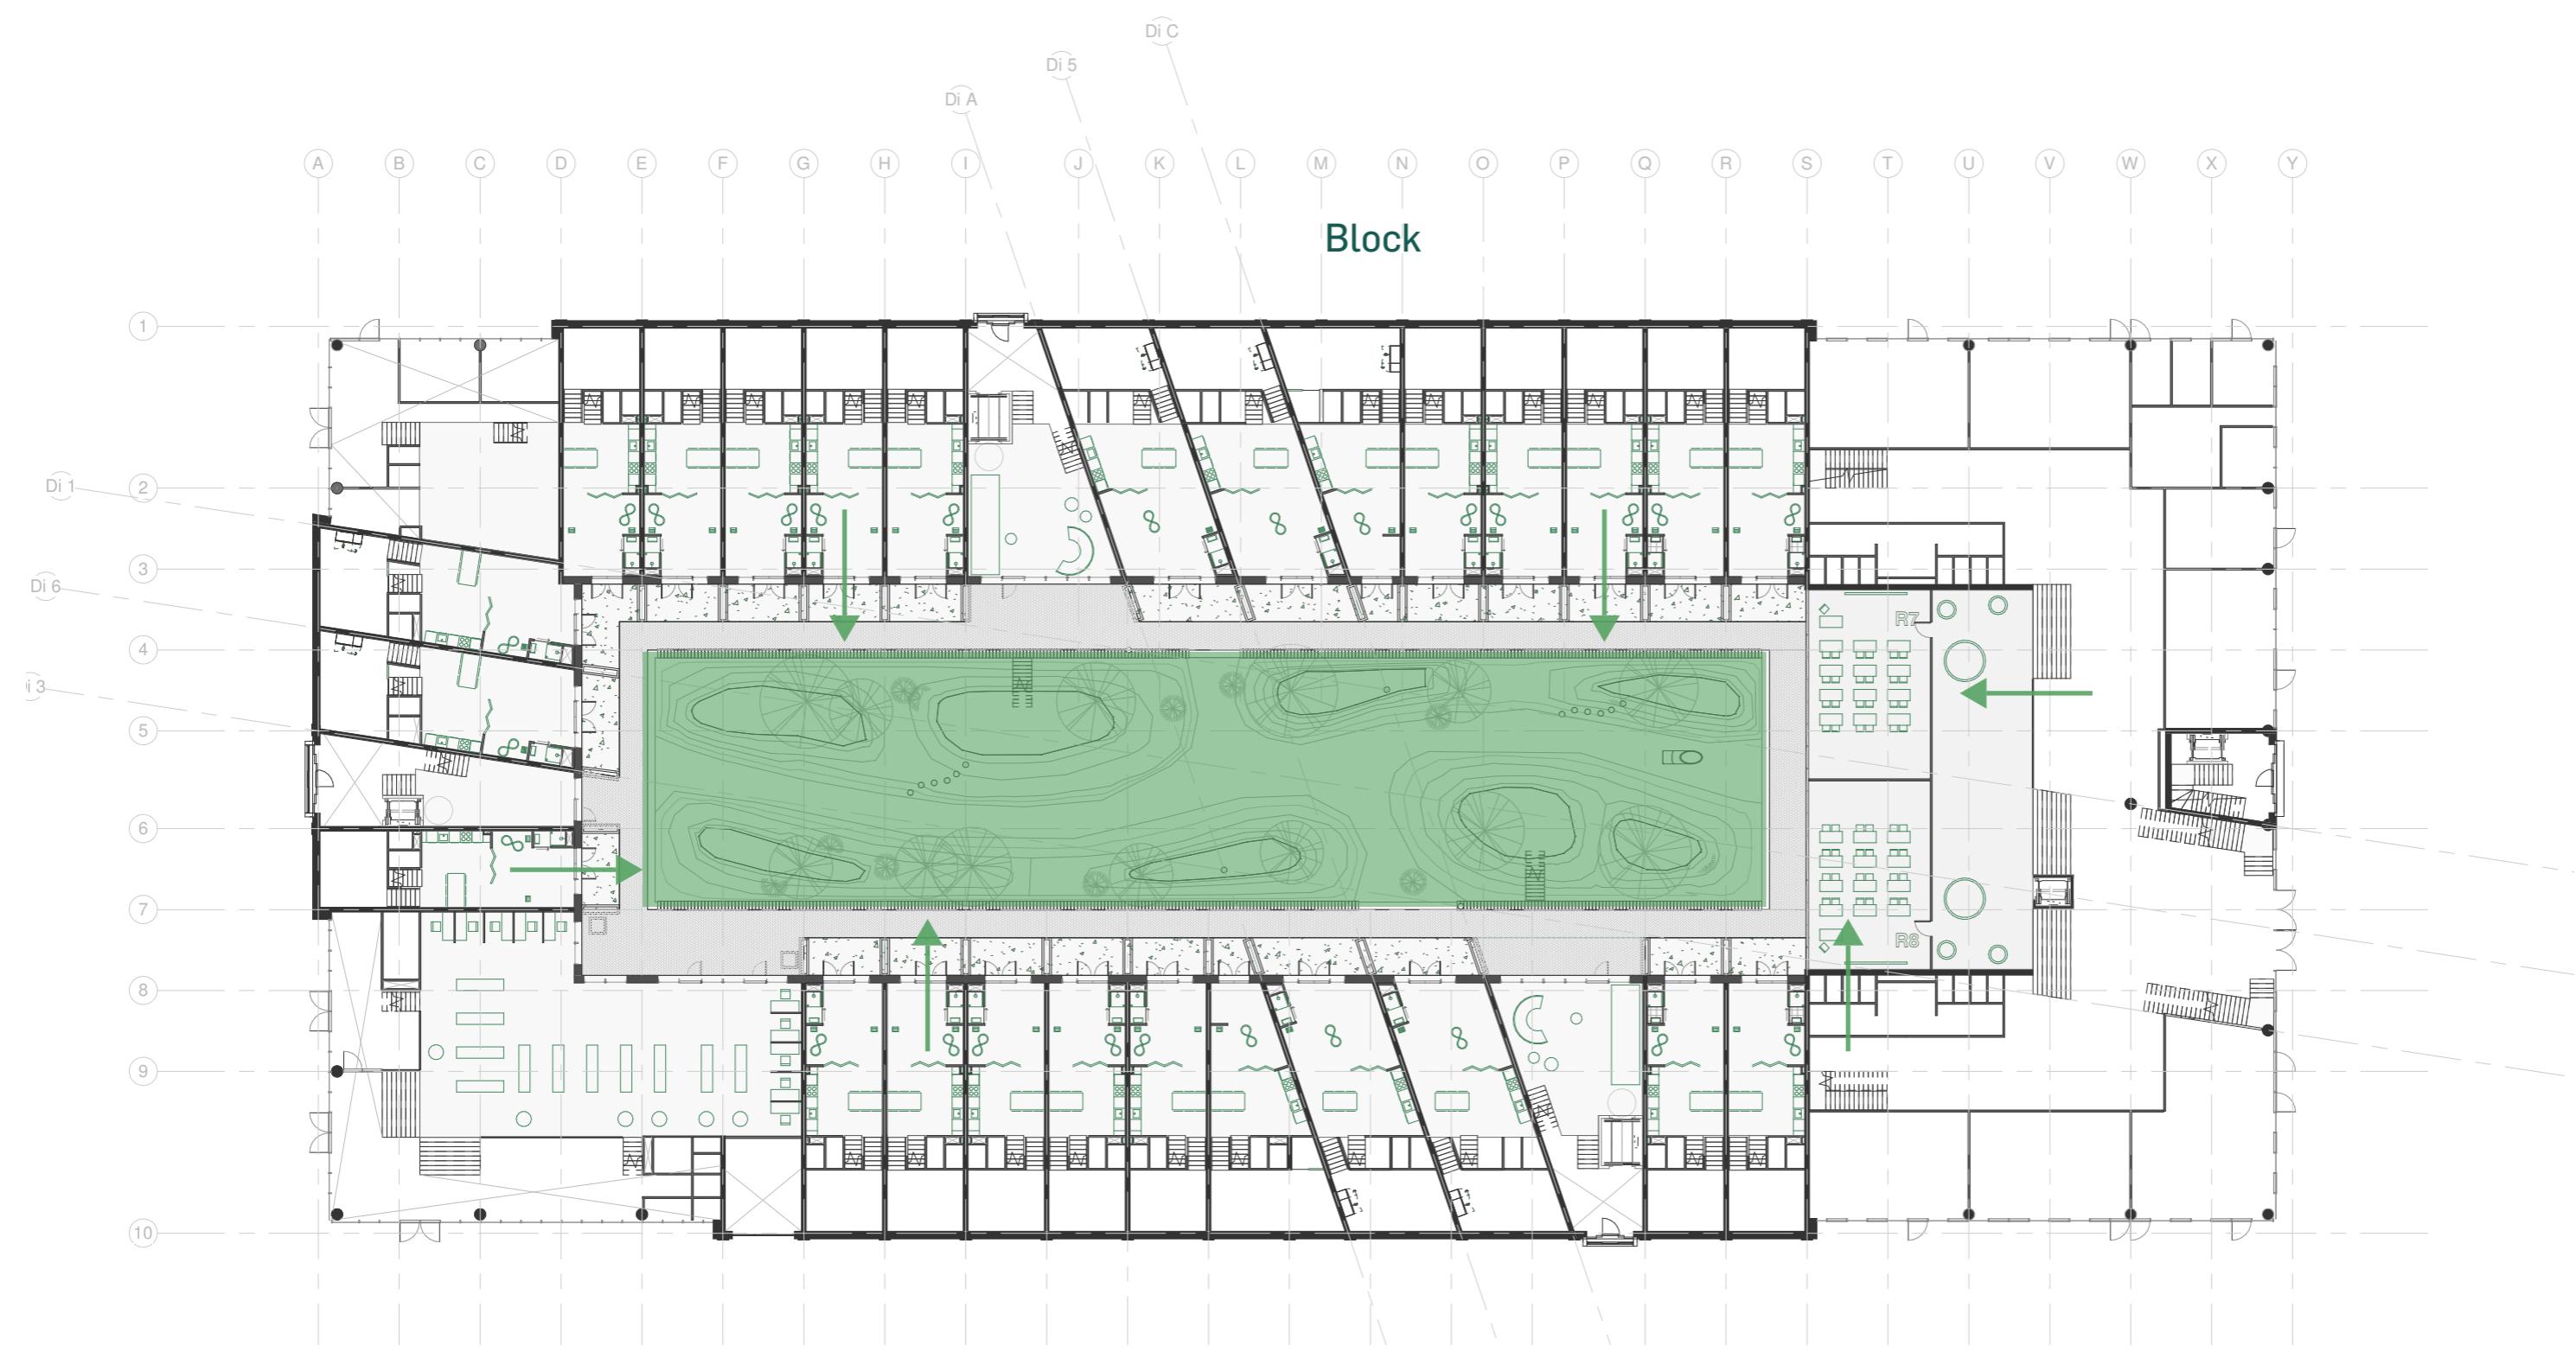

Level 7

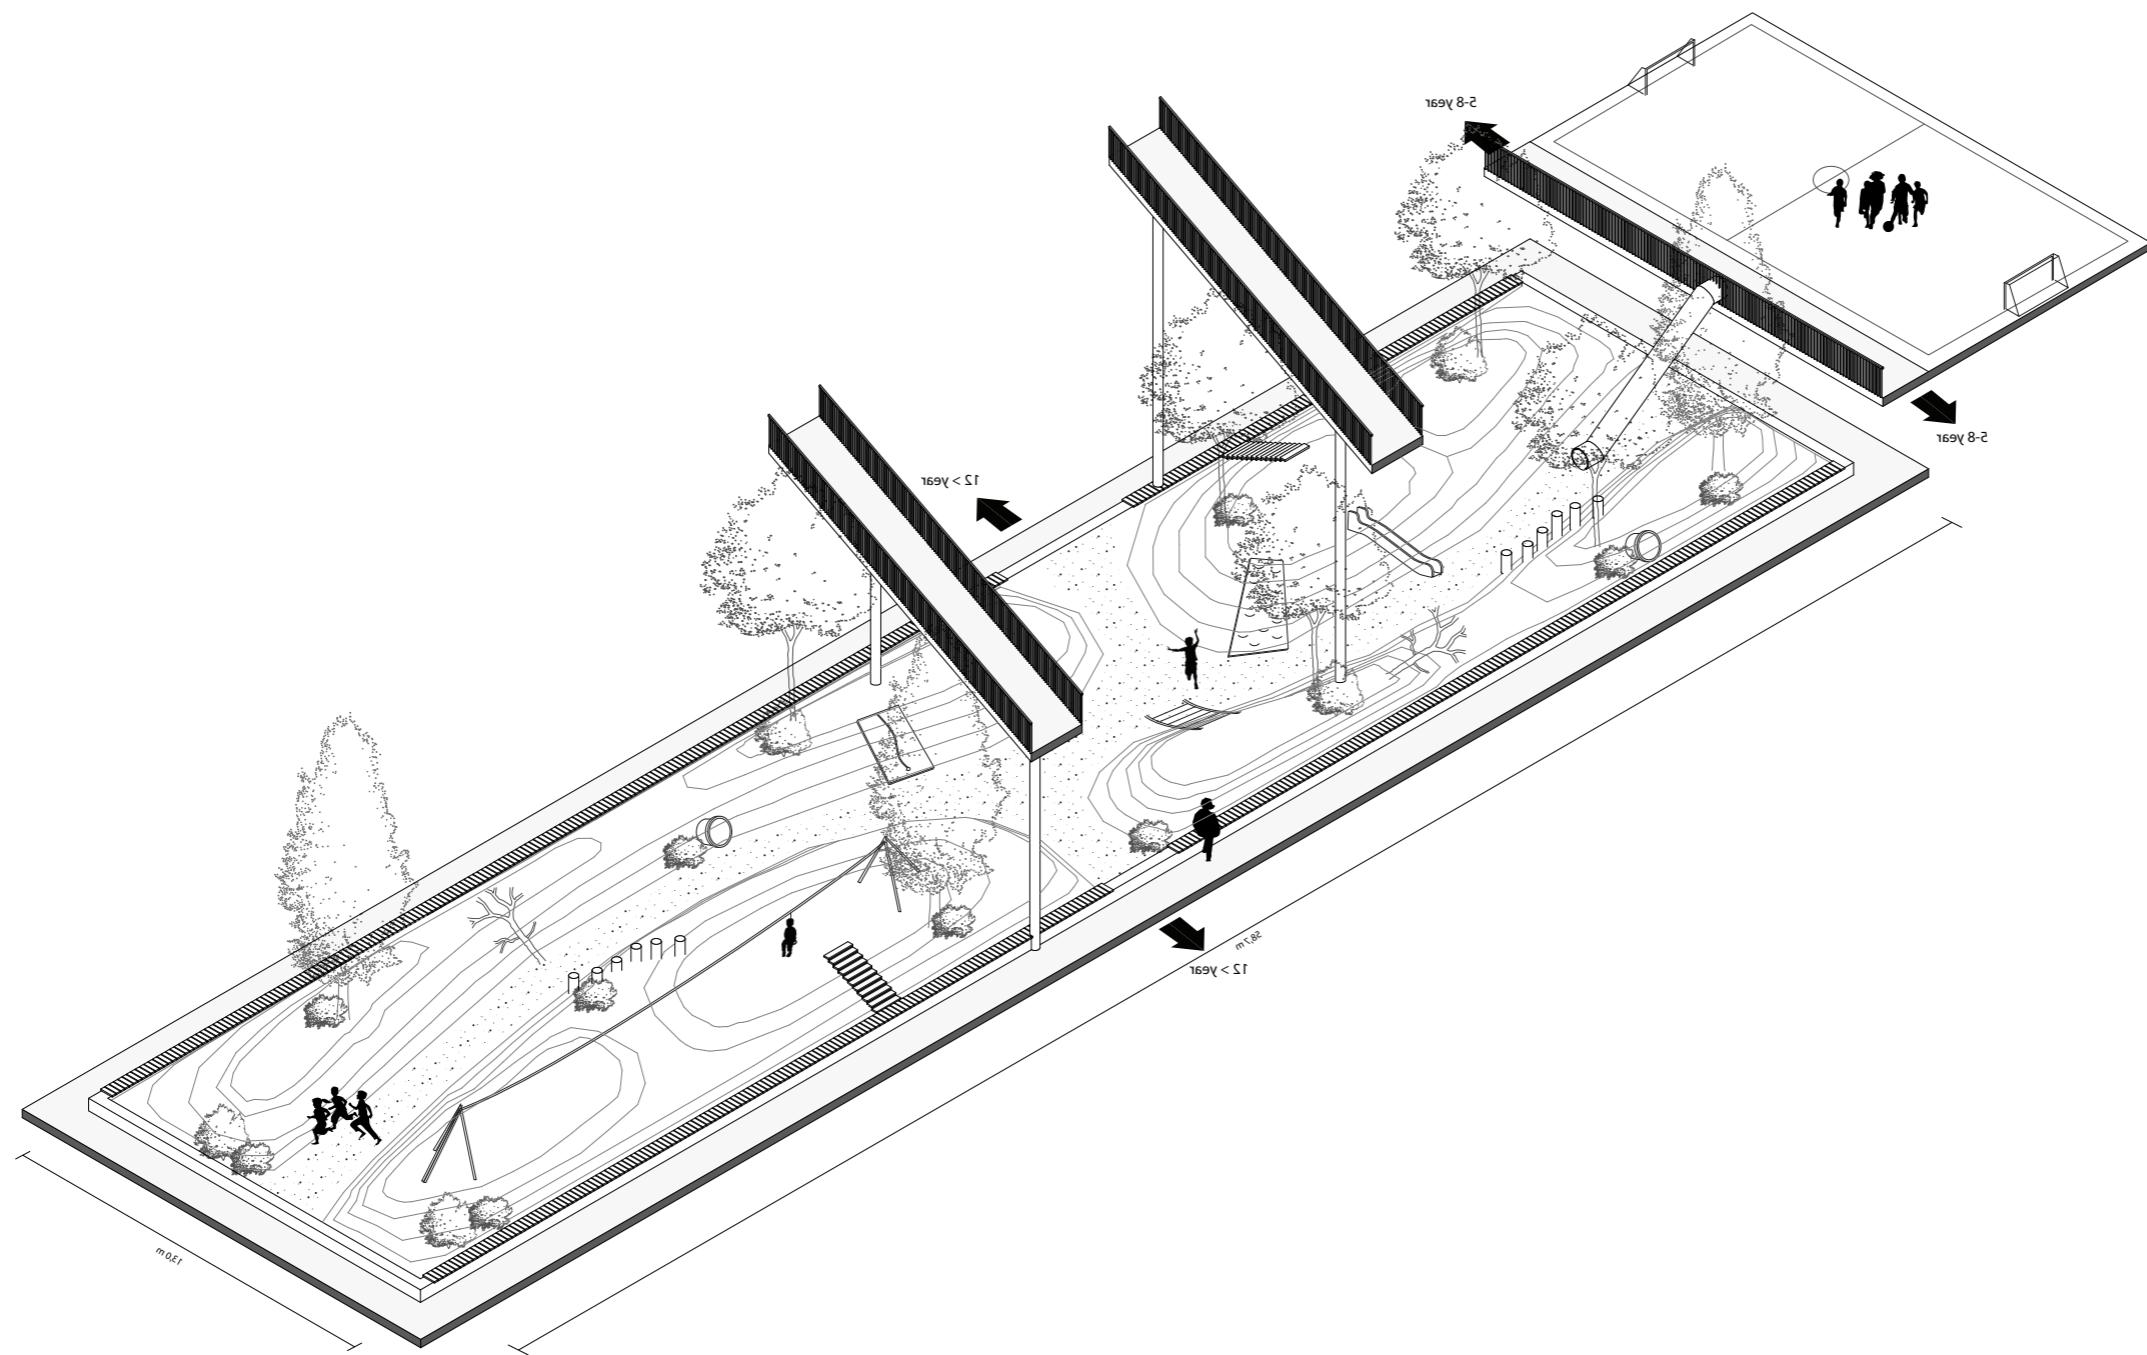

1: 250

Level 0.5

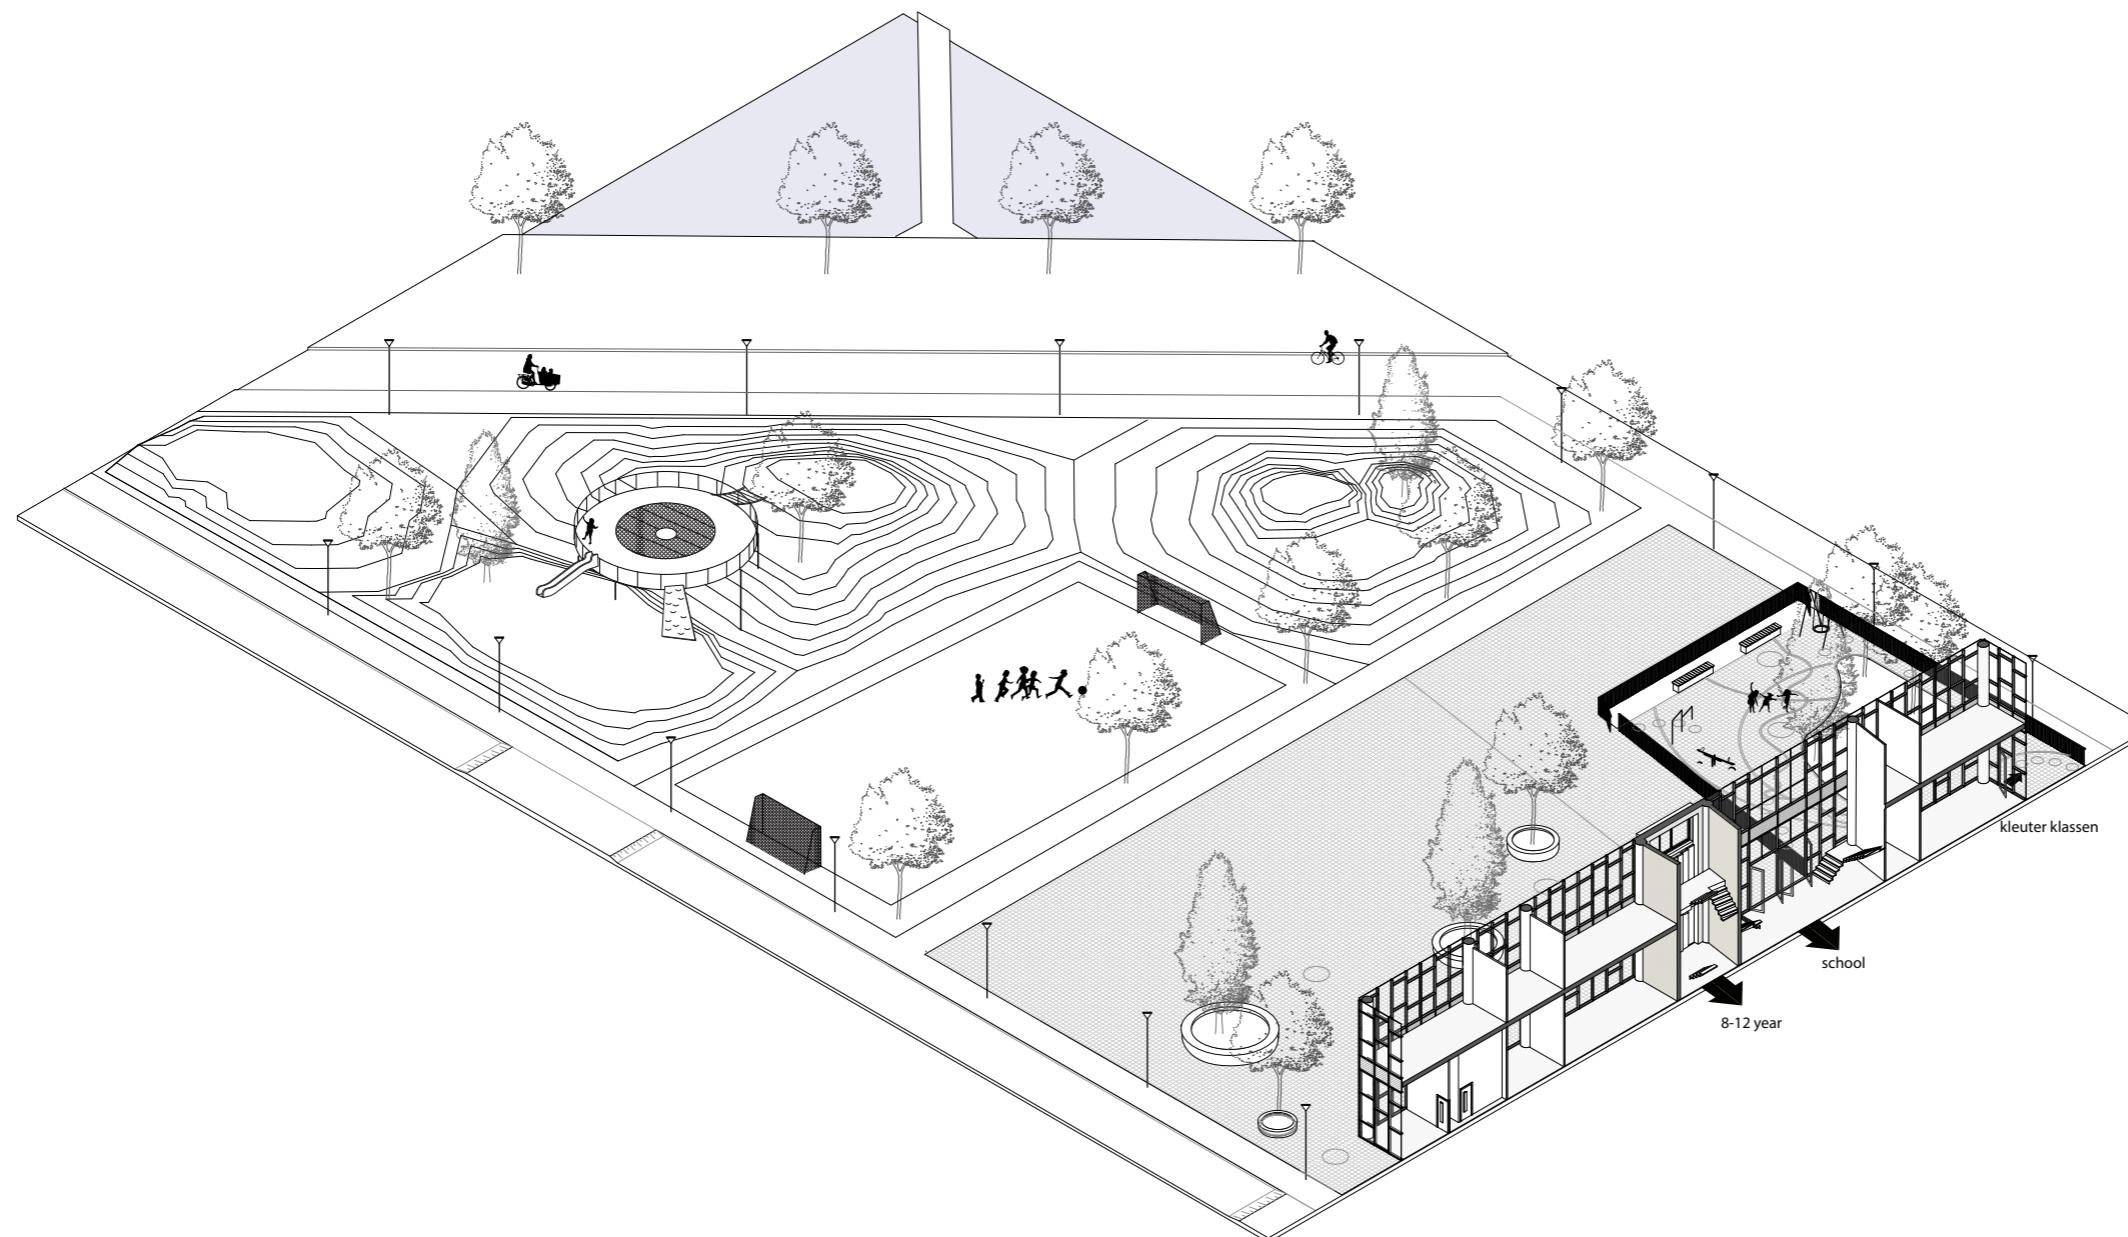

**group:**  
child age: 8-12

- growth in social group
- children dont play in predefined playgrounds
- need for paved and green playspots
- child can play outside without leaving the building

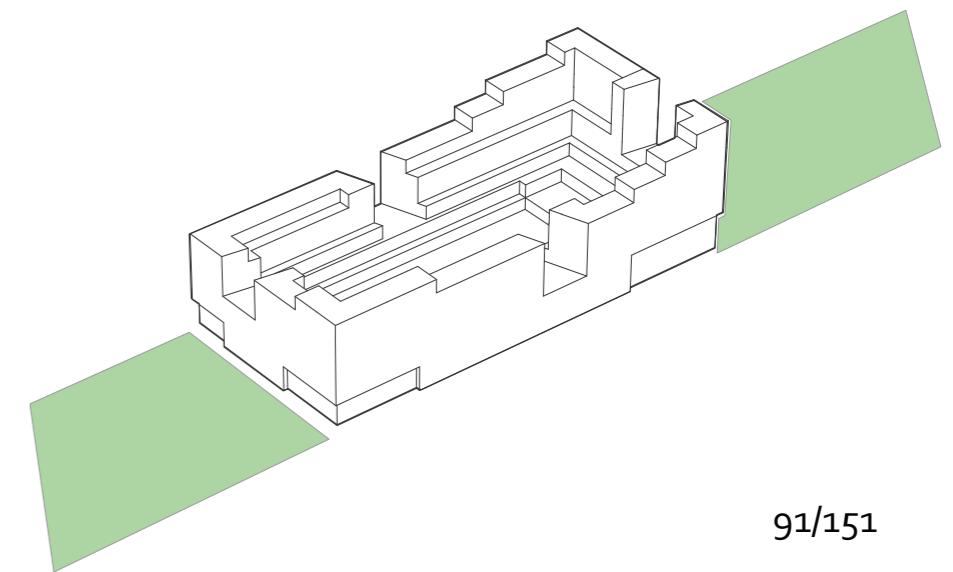

group:

Child age: 8-12 and 12>

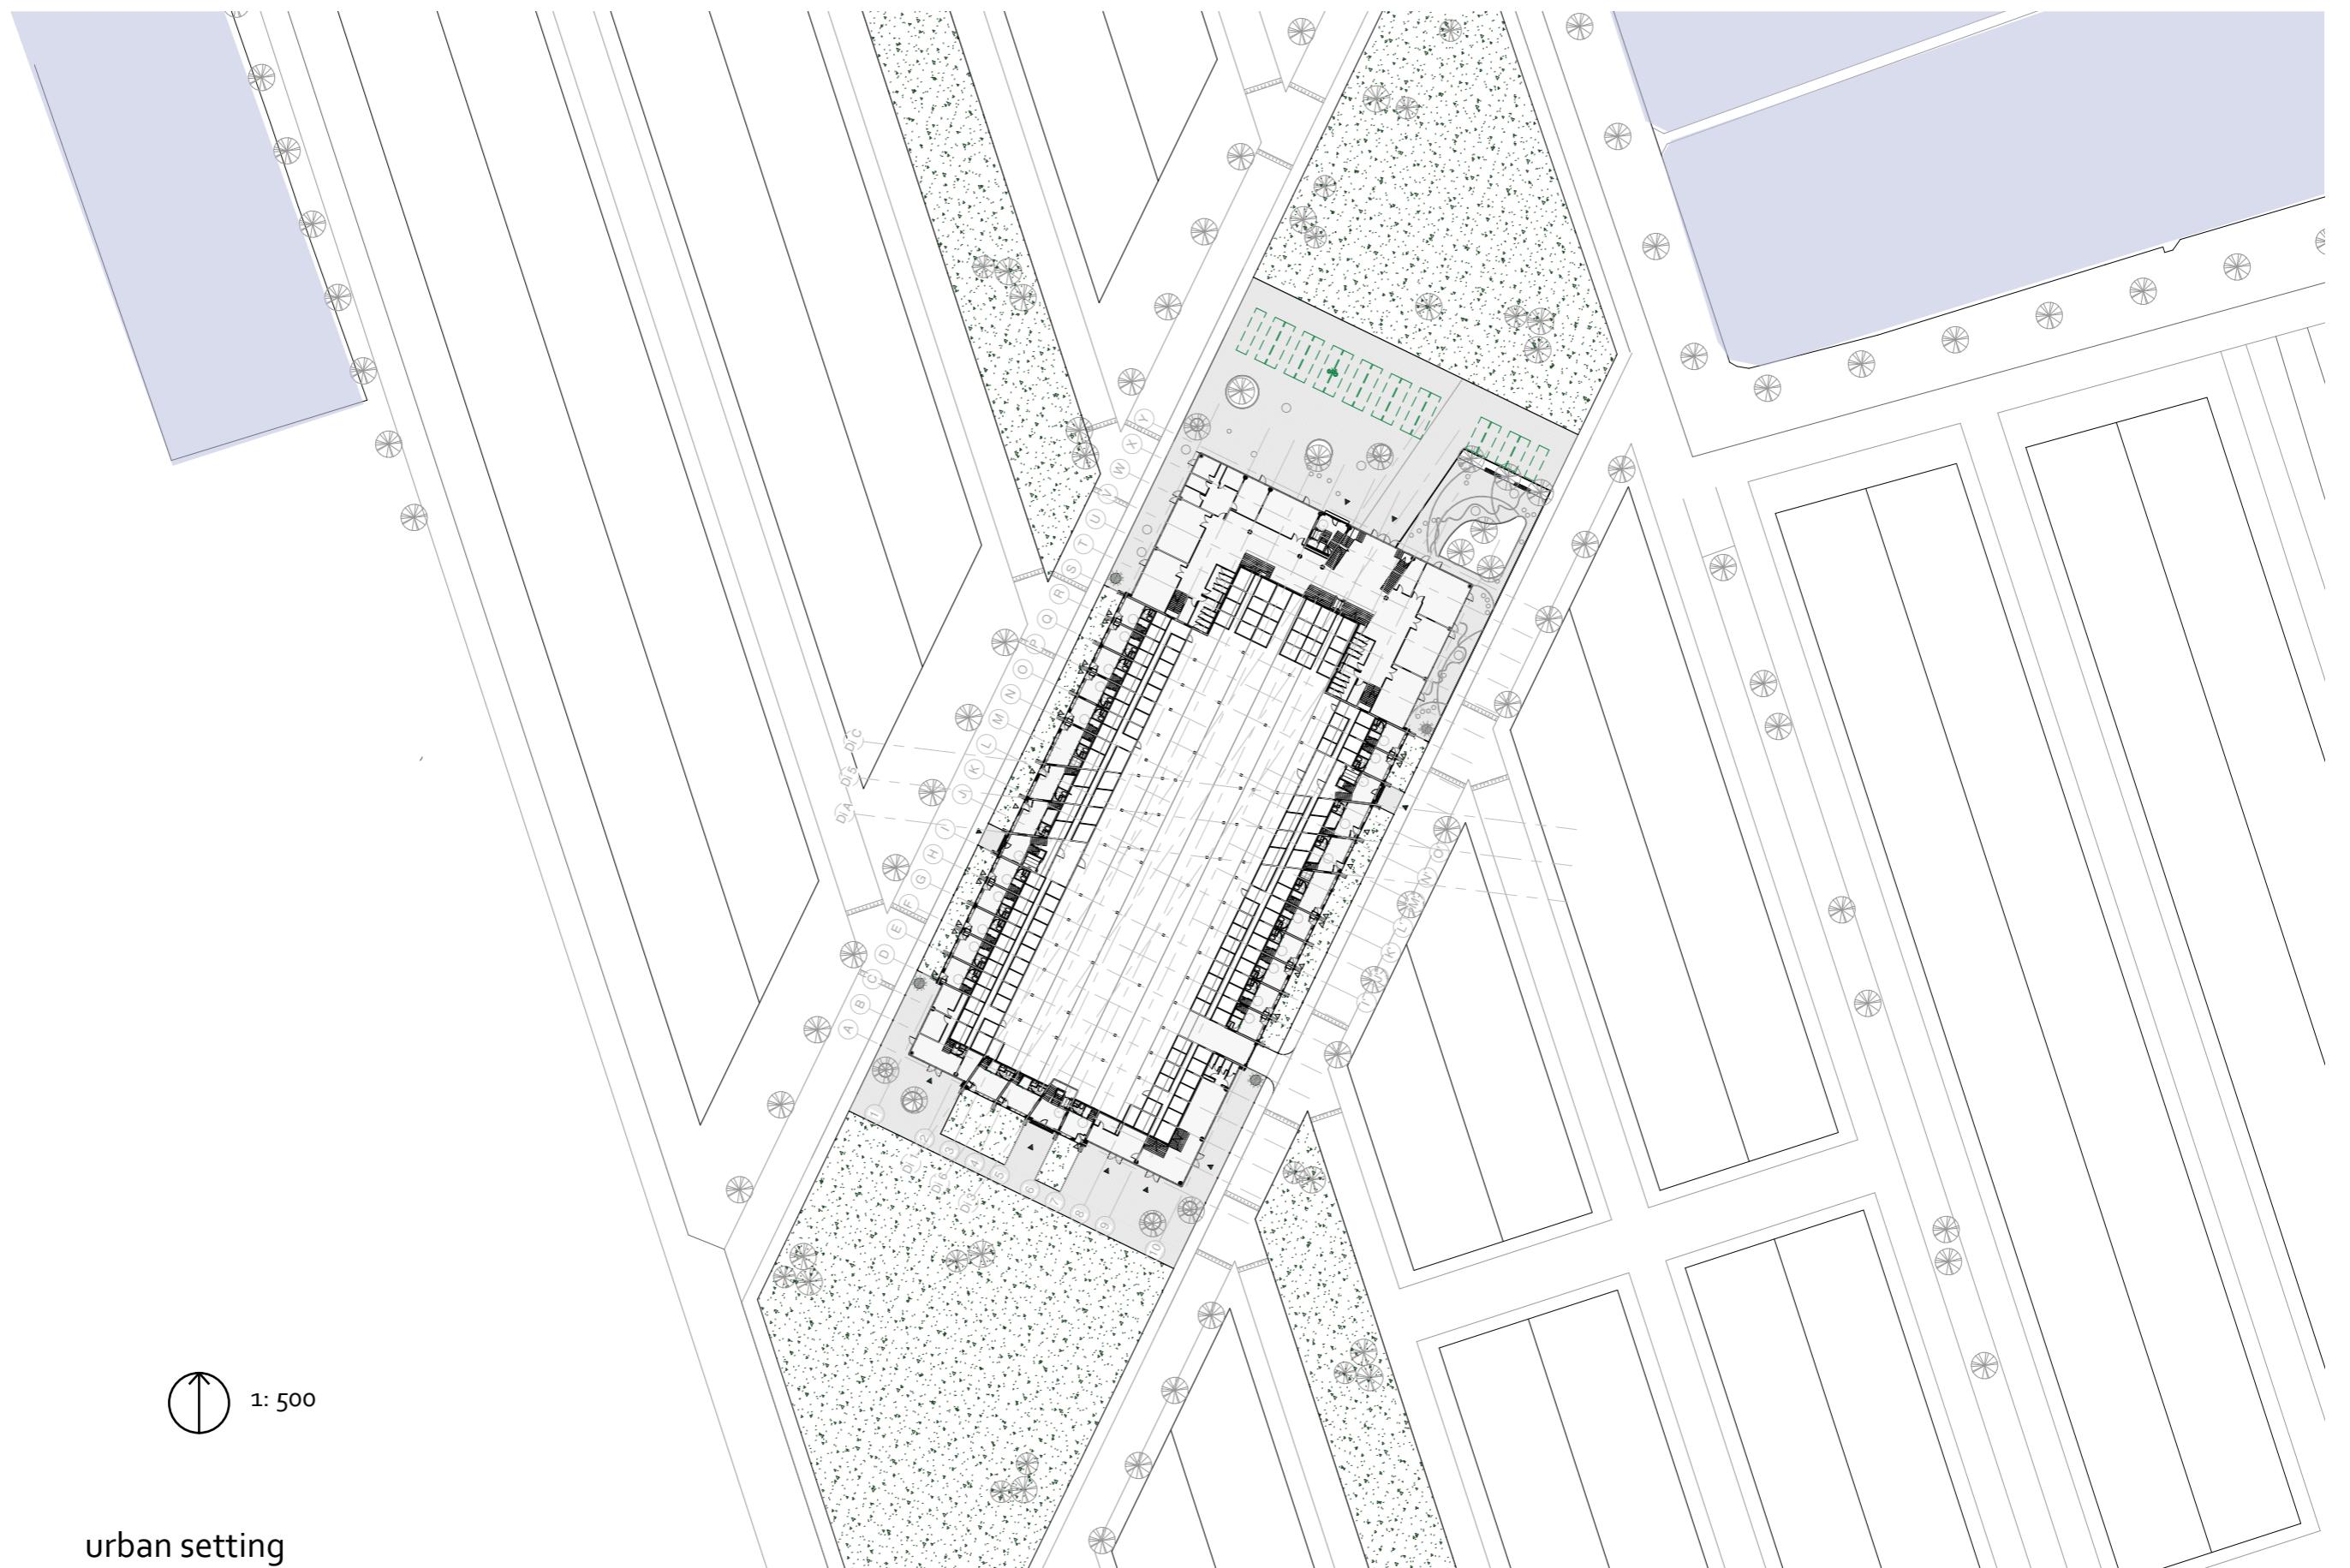

- social group grows outside the neighborhood
- children of 8> are less dependent
- children of 12> have a need for gathering spaces over playspaces
