Correction to: Advancing Design-To-Robotic-Production and -Assembly of Underground Habitats on Mars

H. Bier, A. Hidding, F. Veer, L. Peternel, R. Schmehl, A. Cervone, and M. Verma

Correction to:
Chapter 2 in: A. Cervone et al. (eds.), *Adaptive On-and Off-Earth Environments*, Springer Series in Adaptive Environments, https://doi.org/10.1007/978-3-031-50081-7_2

In the original version of the book, on page xi, one of the authors listed for Chapter 2 is “R. Schnmehl”, which should be “R. Schmehl”. On page 21, the same correction needs to be made twice, in the listed authors at the top of the page and also in the footnotes. “Schnmehl” should become “Schmehl” in both the cases. This has now been rectified and the author’s name has been corrected. The correction to this book have been updated with the changes.
