Nederlands Danstheater

Het Nederlands Danstheater NDT moet volgens het advies van de Raad voor Cultuur tussen de 36 en 50 procent van zijn rijkssubsidie inleveren. Het NDT ontvangt jaarlijks 7 miljoen en dat wordt 4,5 miljoen. Van dat bedrag moeten alle dansvoorzieningen in de regio Den Haag worden betaald, dus ook het Korzo Theater. Bovendien vindt de Raad dat het NDT zich vooral moet manifesteren als een regionale dansvoorziening voor Den Haag en omstreken. Het NDT behoort nu tot de topgezelschappen voor moderne dans in de wereld en geniet een groot internationaal aanzien. Mocht het advies van de Raad werkelijkheid worden, dan zal het NDT niet langer in New York dansen maar in Rijswijk.
