Building Technology Mentor: Freek Speksnijder
Research Mentor: Roberto Rocco

Duality

Annual floods

division as the driving force of life

Poverty

Biased policies

Pollutions

City of the served and unserverd

Ignorances among people and state run institutions

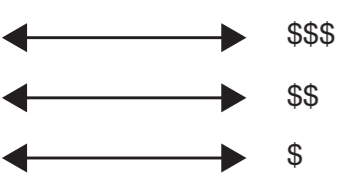

Basic amenities unevenly accesible

Hazardous levels

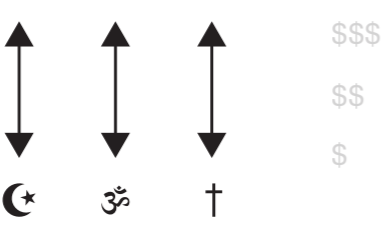

City continiousing a once built narrative

Strategy

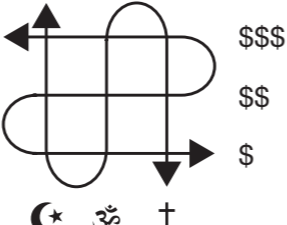

Common ground

Public spaces

Places of Worship

Temple of Dialogue

“The symbolic division between the different demographics of the city is instigated by the lack of communication, creating an atmosphere of uninformed citizens who remain uninformed about the things happening outside their own circles.”

- Marvi Mazhar

Strategy

water

City

- Green infrastructure
- Rainwater harvesting
- Energy-conserving water systems

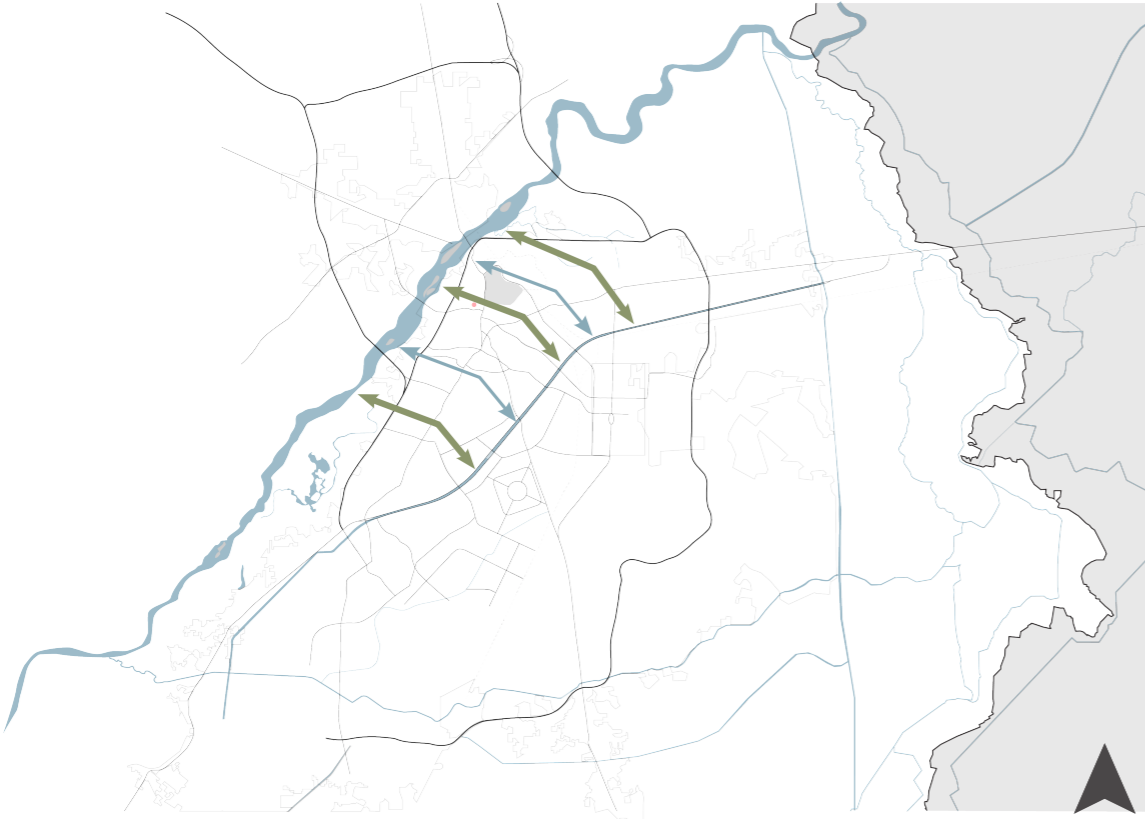

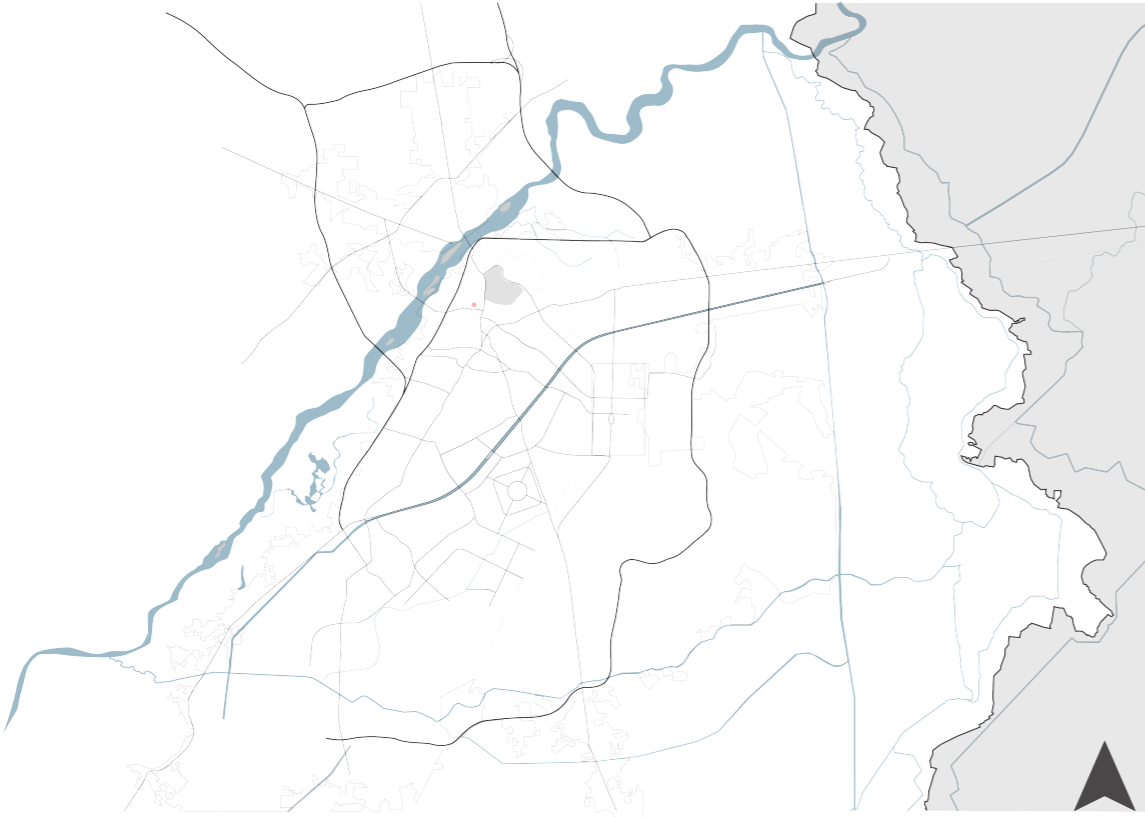

Neighbour-hood

- Green infrastructure
- Rainwater harvesting
- Energy-conserving water systems
- Water use efficiency
- Grey water re-use
- Conserving water experience

Building

- Rainwater harvesting
- Energy-conserving water systems
- Water use efficiency
- Grey water re-use
- Conserving water experience
