Correction to: *Communications Earth & Environment* <https://doi.org/10.1038/s43247-025-02178-4>, published online 3 April 2025

In the version of the article initially published, the title and legend for Fig. 5 was duplicated from Fig. 4; the colour descriptions in the legends to Figs. 3 and 4 were incorrect; the zenodo link in the Data Availability section (<https://doi.org/10.5281/zenodo.14872179> (2025)) was missing; and the legend to Supplementary Fig. 1 was missing data source citations. The changes are made in the HTML and PDF versions of the article.
