SÜSSWAREN-GESCHENKARTIKEL

DIE ZEIT

Der von hier

A woman wearing a brown coat and a light-colored headscarf is walking towards the camera in the foreground of the courtyard.

Two people are standing in the middle ground of the courtyard, one appears to be taking a photo.

**İptalkirina peymanî kirayê, kontrol,  
dûrxistin ji herema jiyane?!**  
**Polês an jî xwediyê xanî: em nahelin ku me  
ji heremên jiyane dûrxistin!**

Li Kreuzberg 36'an de kîre her diçe zede dibe. Evê yekê tê manayê ku kezencî xwediyê xaniyan û tekelnê emlaqê dadikevin jor. Manaya vê yekê jî bo me, kehmbûna pereyê di jiyana rojane de, iptalkirina peymanî kirayê, bi zorê jî malê derxistin, pir caran terkkitina taxa ku em tê de dijîn e. Di dema îro de, terê xwe malên lüks, otel û xaniyên îznê, barên kokteylê û restorantên xweşik hene. Lê malên ku mirov bikare kirê wan bide kem in. Di dema ku kirê zede dibin û qehvên taxan wenda dibin; kesên ku nayên xwestin, jî kreuzberga 36 ya nû, çalak û baha, jî deverê reya giştî, jî parkan tîn dûrxistin. Di jiyana rojane ya taxê de kontrol, kifir, gilîkirin, qedexê û hêrişên polês, hêzên Ordnungsamtê û hêzên ewlekariyê tîn jiyandin. Kotti yek jî heremên ku jî aliyê polêsê Berlîne wek cihên „talûke“ an jî cihê ku „jî“ aliyê krîmînalîtê dagirtî ye“ tê hesabandin. Evê yekê tê manayê ku polês dikare bê sedem kontrolan pêk bîne û qedexan li darxîne. Kesên ku dibin hedefa van hêrişan, mirovên ku hatina wan kem e, malên wan nîn e û bi taybetî jî wek „mîrovên ewropaya bakûr“ tîn xuyandî û ne li gor daxwaza polêsên nijadperest in. Kesên ku li hember vê rewşê berxwe didin, dibin hedefê hêrişan. Kirayên ku zede dibin, qedexekirina cih, binçavdebûyîn. Di Kotti de, jî bo ku gel baştirîn were kontrolkitin, plansaziya cihkirina kamarayên herî modern li Elmanyayê tîn honandin. Dê di hemûm koşeyên U-Bahnofan de kamareyên ku bi xwe dizîwirin, bi Zoom û otomatîk rûyê mirovan nas bikin werin bi cihkirin- ev xeyalê hemû kesên ku, li gel dadmenîya civatî, daxwaza têqîbkirin û kontrolên zede dikin e. Êdî bes e! Em banga hemû kesên ku hember berdewamiya zedebûna kirayên in, kesên ku naxwazin kesên ku hatina wan kem e û jî taxên me tîn derxistin û kesên ku hêrişên hêvî yên polêsên nijadperest naxwazin, dikin ku werin û di mîtinga Kotti de cih bigrin.

**İhtar, Denetim, Kamu Alanı Yasağı?!**  
**Hem Polis hem de Mal Sahibi X Buradan  
Kovulmaya İzin Vermeyeceğiz!**

Kreuzberg 36'da kiralar patlamış durumda. Bu, ev ve gayrimenkul sahipleri için yüksek kar anlamına geliyor. Bizim içinse; günlük yaşam için daha az para, ihtar, baskıyla tahliye, genellikle de mahallemizden taşınma anlamına geliyor. Son yıllarda Kreuzberg 36'da zaten yeterince lüks renove edilmiş konutlar, hosteller, tatil evleri, pahalı barlar yapıldı. Ödenebilir kiralık ev nerdeyse hiç kalmadı. Kiralar patlarken ve ucuz mahalle birahaneleri ortadan kaybolurken, insanlar bu yeni şık ve pahalı yerlere 'uygun' olmadıkları için kamusal alanlardan, meydanlardan, parklardan kovuluyorlar. Denetimler, hakaretler, cezalar, kamu alanı yasakları, polis, ordnungsamt, güvenlik memuru şiddeti buranın günlük yaşamının bir parçası oldu. Kotti Berlin'deki polis tarafından sözde 'tehlikeli' veya 'potansiyel suç alanı' olarak tanımlanan yerlerden biri. Bu demek oluyor ki her defasında gerekçesiz polis kontrolü ve araması yapılabilir ve kamu alanı yasağı konulabilir. Genelde buna muhattap olanlar; daha az geliri olan, evsiz insanlar ve bunların da ötesinde ırkçı polisin gözündeki sözde 'kuzey Avrupalı' görünümüne sahip olmayan kişiler. Aynı zamanda buna muhattap olanlar, bu duruma karşı çıkan insanlar. Artan kiralar, kamu alanı yasakları, elektronik ortam denetimleri. Halkı daha iyi kontrol edebilmek için Kotti'ye Almanya'daki en modern kamera gözetim sistemi kurulacak. U-Bahn'ın her köşesindeki dönebilen, zoom'lu, otomatik yüz taraması yapabilen kameraların herkes için rüya gibi bir şey olduğunu düşünen zihniyet, daha fazla sosyal eşitlik yerine bizim daha fazla elektronik ortam kontrolüne ihtiyacımız olduğunu düşünüyor. Sabrımız taşı artık! Sürekli artan kiralara, mahallemizin değiştirilmesine, düşük gelirlilerin evlerinden atılmasına, brutal, ırkçı, ayrımcı polis kontrolü ve baskısına artık tahammül edemeyen herkesi Kotti'deki eyleme davet ediyoruz. Hep birlikte artan kiralara, kovulmaya, elektronik ortam denetimlerine ve polis baskılarına nasıl son verebileceğimizi düşünelim!

لا لجشع المأجرين ولا للقمع البوليسي، لن ندعهم يخرجوننا  
أحيائنا و منازلنا  
التجمع:  
لا لجشع المأجرين ولا للقمع البوليسي، لن ندعهم يخرجوننا
