Collective

Wij werken op collectieve basis dat betekent dat wij een horizontaal samenwerkings verband hebben waarin iedereen ideeën worden gehoord

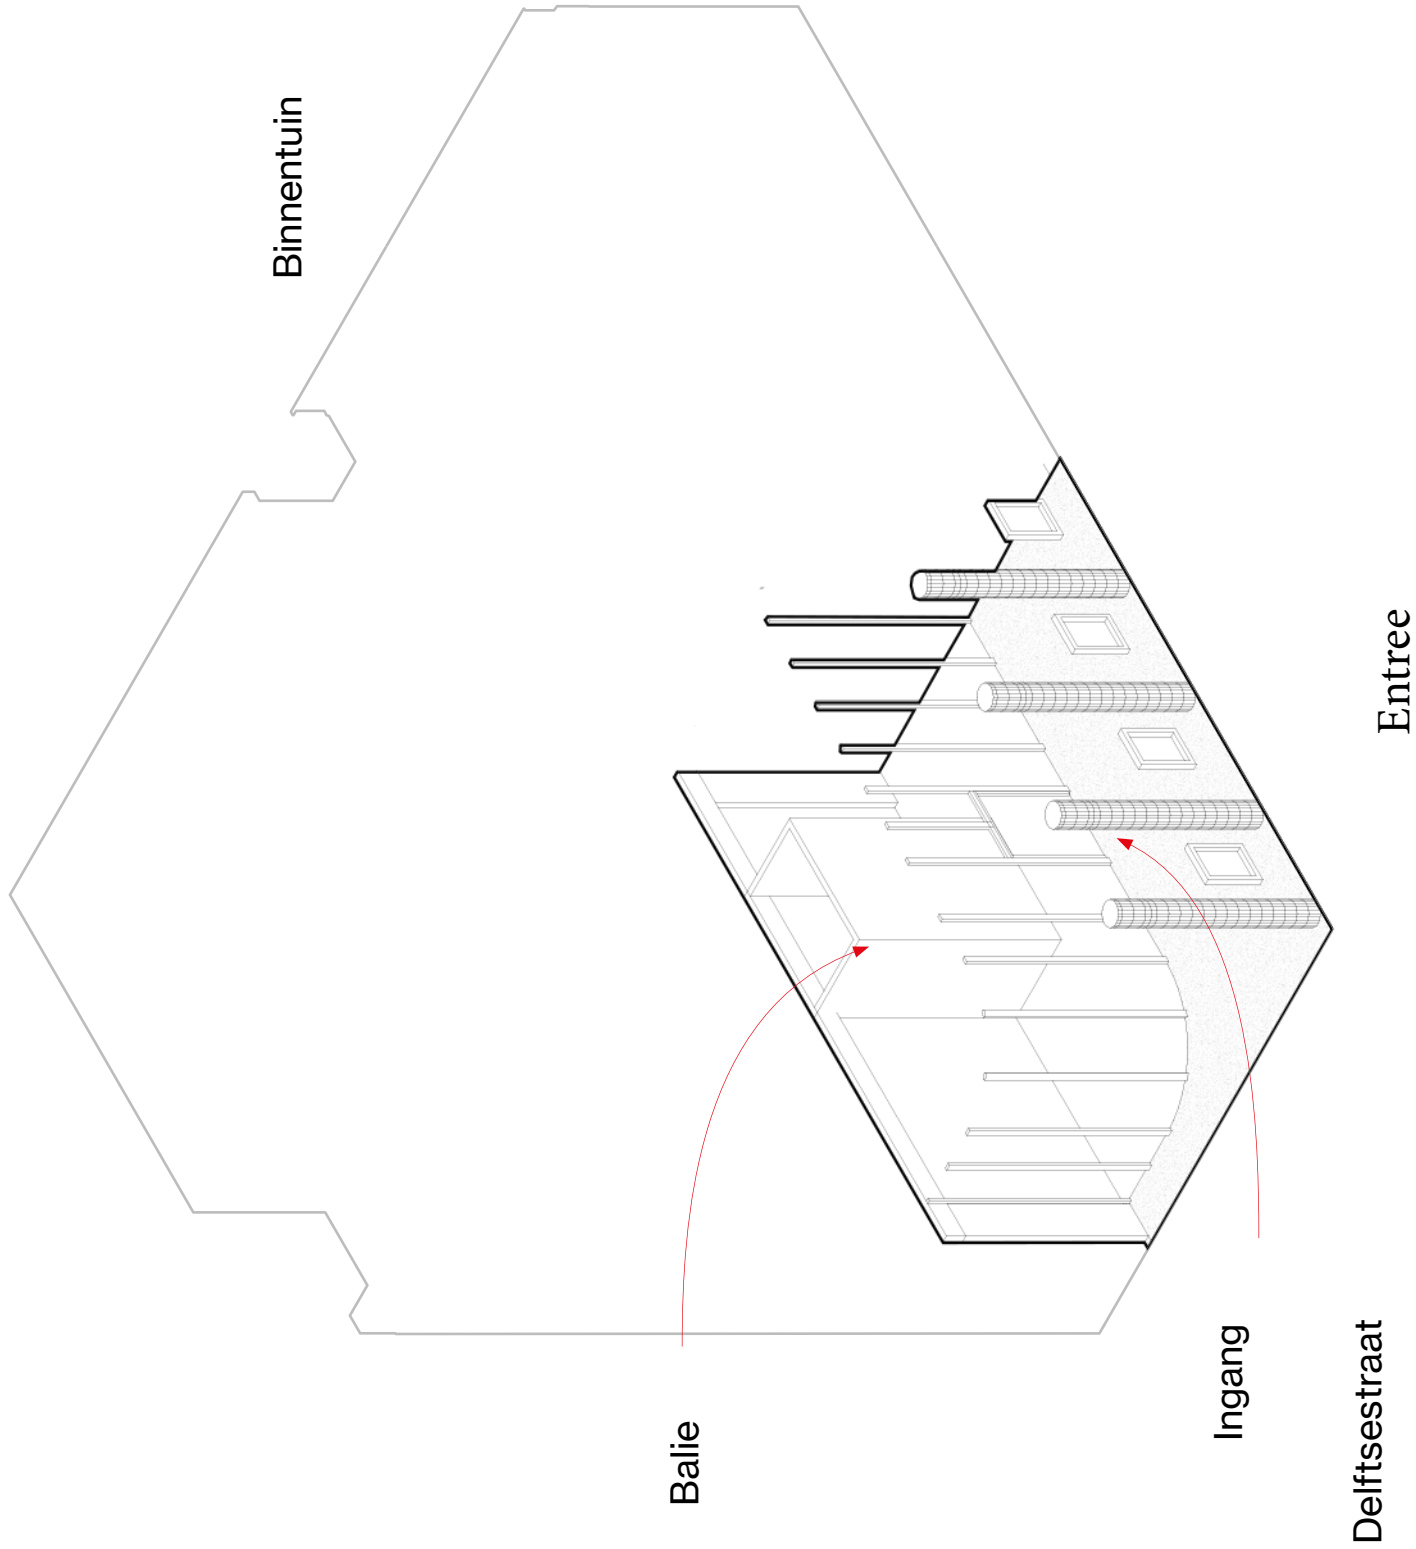

Door ons architecten bureau open te stellen voor iedereen die geïnteresseerd is hopen wij het gesprek over de gebouwde omgeving in stand te houden.

rondom onze lopende projecten organiseren wij exposities en

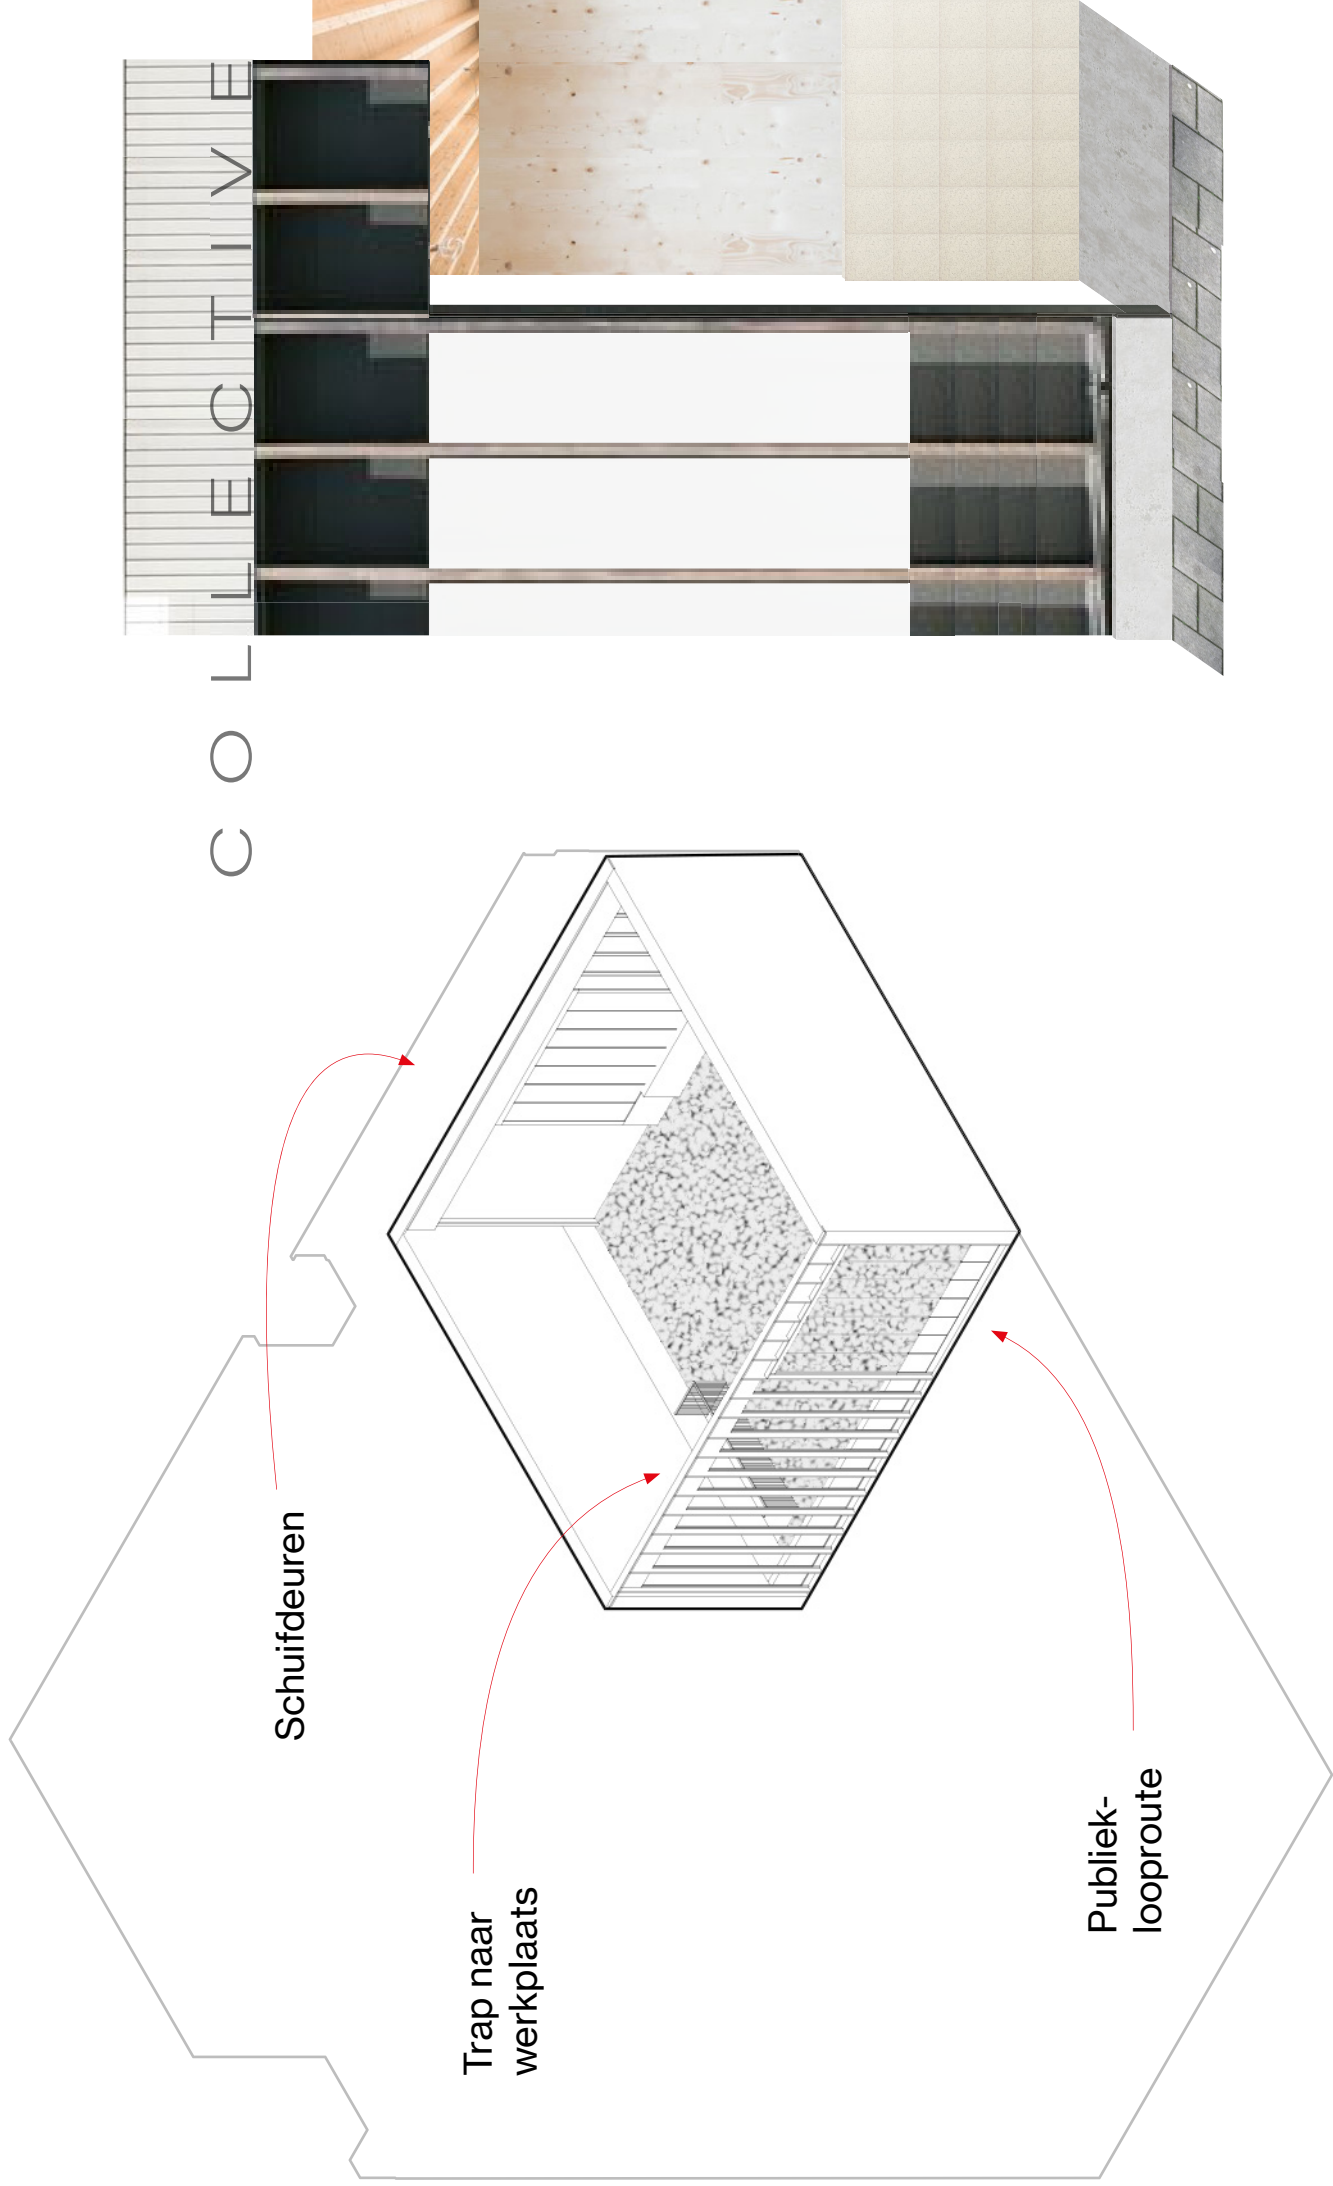

workshops waarin kan worden meegedacht, gesproken, bekrachtigd, geleerd of gemaakt.

Onze openbare werkplaats, koffieslab en daktuin zijn vrij toegankelijk binnen de openingstijden.
