CHRONIK

Siegerprojekt für Naschmarkt-Parkplatz

Das Siegerprojekt für den Naschmarkt-Parkplatz steht fest. Ganz nach dem Stadt-Motto: „Raus aus dem Asphalt“ soll aus dem Abstellplatz eine Grünfläche werden. Auf den Flohmarkt wird die Umgestaltung keine Auswirkung haben.

13. November 2023, 11.50 Uhr

Teilen

Wiens größte innerstädtische Hitzeinsel steht vor einer umfassenden Verwandlung. Aus dem 12.000 m2 großen Parkplatz zwischen den Wienzeilen wird künftig ein Aufenthaltsort mit viel Begrünung und Kühlung. Es kommt zu keiner Verbauung der aktuellen Parkplatz-Fläche, sondern zur großflächigen Entsiegelung und der Gestaltung einer großzügigen innerstädtischen Grünoase inklusive Erhalt des allseits beliebten Flohmarkts.

Stadt Wien

1 collective ground

What possibilities could bring in reclaiming a collective ground within our city centres?

2 inherent qualities

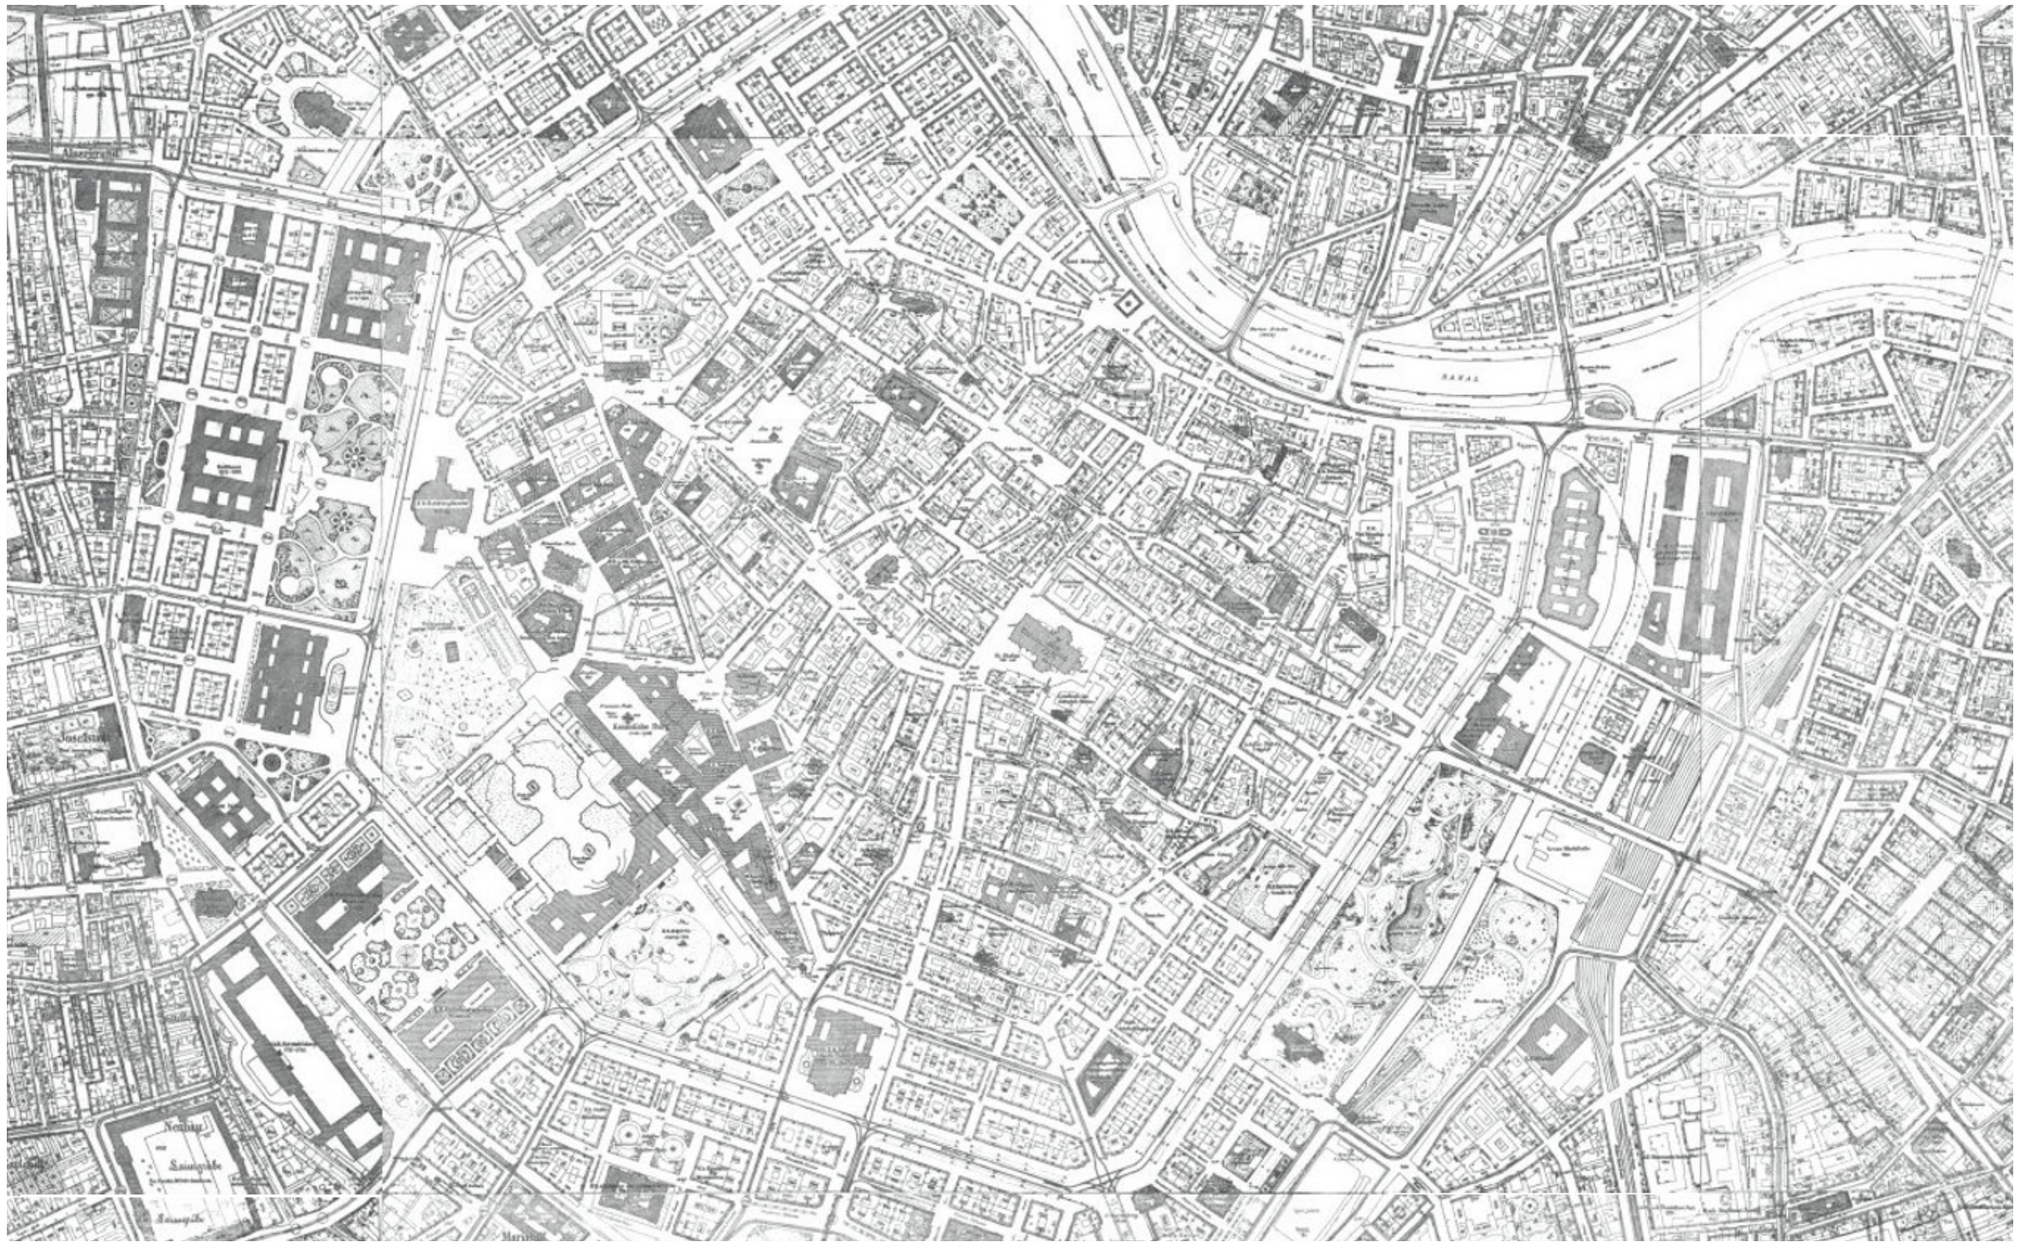

What values do these structures inherently present without considering a tabula rasa?

1 Tracing the existing

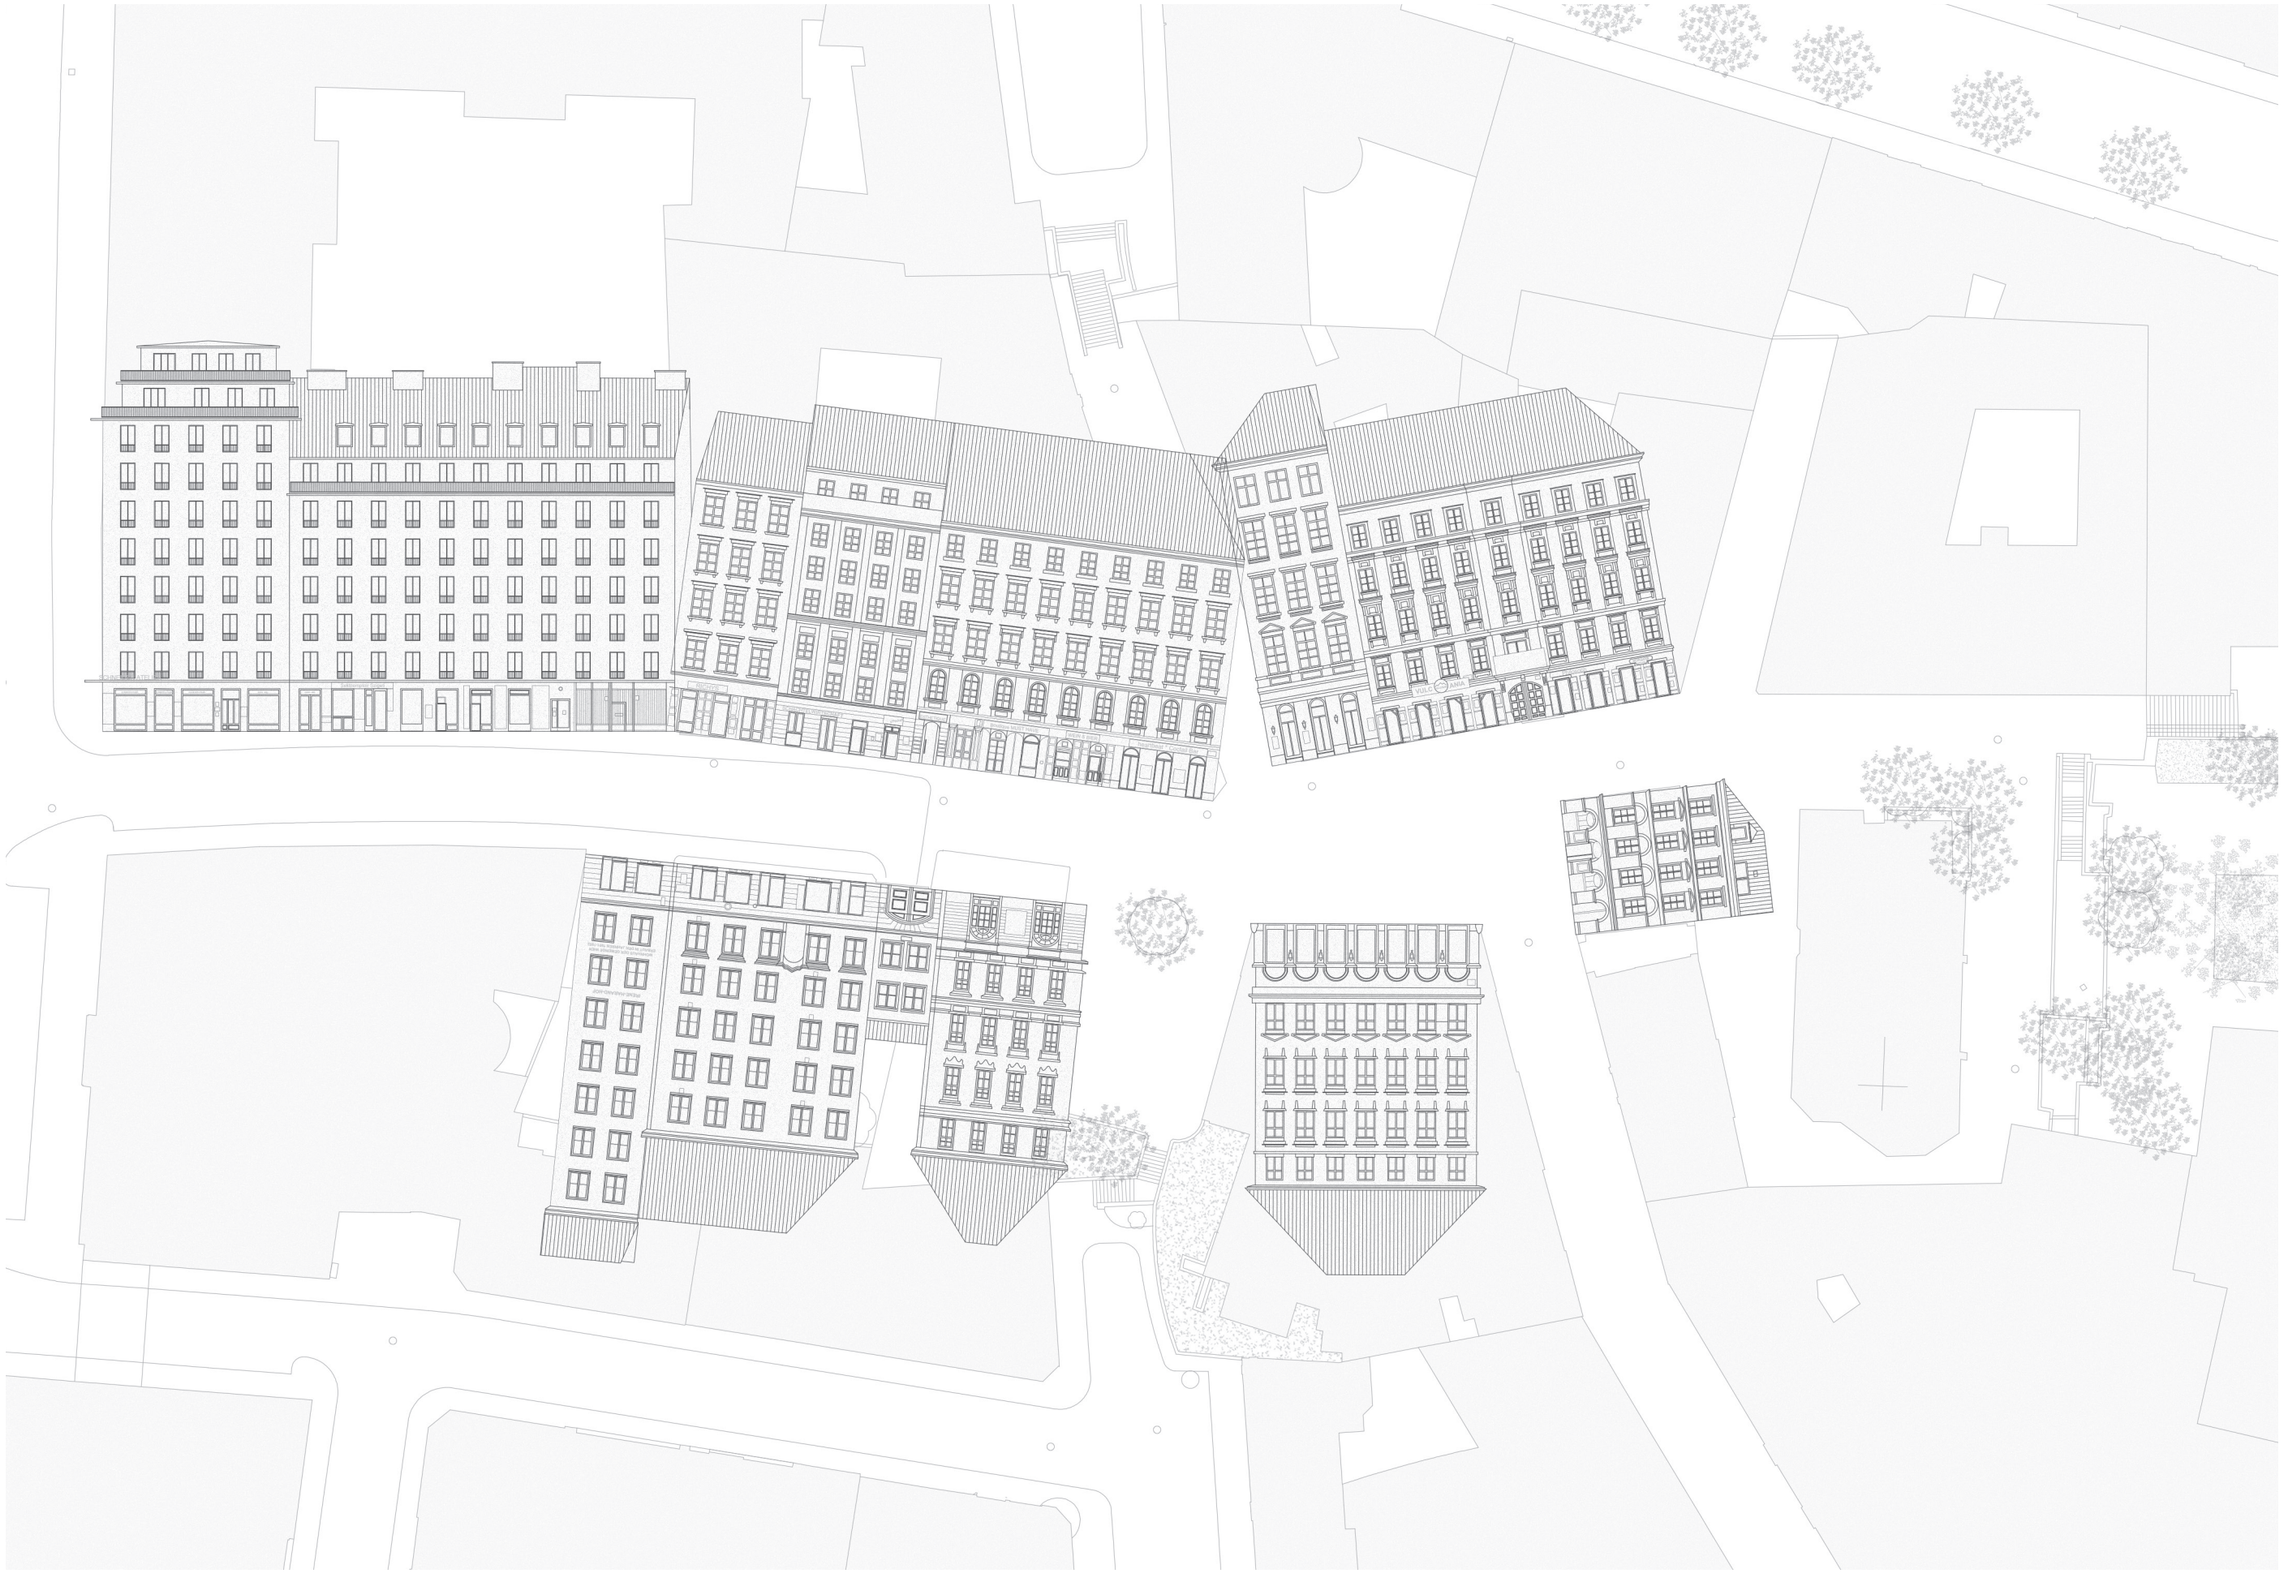

How can the collective ground be formed within the previously discussed fringe spaces such as car infrastructure?

2 Informed by local typology

How can the transformation of the physical structure be considered a symbiosis informed by the traditional typologies?

Bildungsgrätzl machen Schule

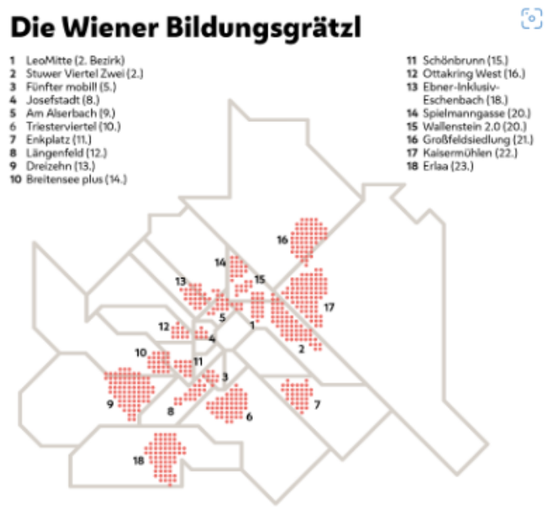

Die Stadt forciert die Zusammenarbeit von Schulen und Kindergärten mit Jugend- und Sozialeinrichtungen, um Wiener Kindern die besten Bildungschancen zu bieten.

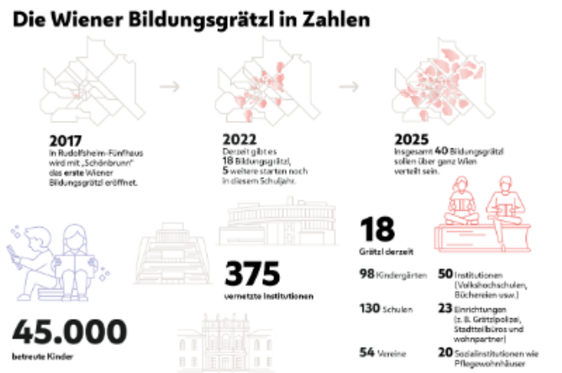

It takes a Grätzl to raise a child" (es braucht ein Grätzl, um ein Kind aufzuziehen), lautet das Motto, wenn es um ein innovatives System geht: die Wiener Bildungsgrätzl. Die Idee dahinter ist so einfach wie effizient. Um die Kinder und Jugendlichen bestmöglich zu fördern, arbeiten verschiedene Institutionen in einem überschaubaren Gebiet eng zusammen: Schulen, Kindergärten, Vereine, Büchereien, Volkshochschulen, Gesundheits- und Sozialeinrichtungen sowie die Jugendarbeit. 18 solcher Bildungsgrätzl mit rund 375 beteiligten Institutionen gibt es bereits, ca. 45.000 Kinder werden erreicht. Fünf Bildungsgrätzl sollen noch im Schuljahr 2021/22 eröffnet werden und fünf weitere bereiten zurzeit ihre Gründung vor. 2025 sollen es insgesamt 40 sein.

175.000 Euro

Um die aktiven Bildungsgrätzl zu unterstützen, hat der Gemeinderat vor Kurzem 175.000 Euro Förderung für 2022 sowie jeweils 200.000 Euro für die Folgejahre beschlossen. Akkreditierte Bildungsgrätzl können ab heuer bis zu 5.000 Euro Jahresförderung für Projekte beantragen. So soll die Zusammenarbeit der lokalen Bildungspartner*innen gestärkt und es sollen mehr Angebote für die Kinder und Jugendlichen geschaf-
