New Directions in the Public Interior:

The Reconstruction of the VROM Building

The Architecture of the Interior: The Place of Work/ P5 Graduation Presentation/ Pei Zejun
30th June 2015, TU Delft
This is a story about how to find a light way to solve a heavy issue.

- the THINKING of the site and current building,
- the STRATEGY of the new scheme,
- the TRANSITION between spaces,
- the WORK space,
- and the building TECHNOLOGY.
