There is not a single static plan, as the project will be in a constant state of transition. With this in mind, the cluster plans (on the right) are drawn as a backbone of the project. The infill is left open for negotiation, as it will be up to the inhabitants and other stakeholders to develop it. Now, it is up to you to play and compose variations with the floorplans and different scenarios, which you can find below.
THE TRANSIENT BLOCK / UNIT

Monica Carlota Lelieveld + Dwelling, Global Housing + Affordable Housing for Sustainable Development in the Global Urban South, Addis Ababa + Nelson Mota, Dick van Gameren, Anteneh Tola + 28 June 2017

Section of the BLOCK 2028
