The University of Amsterdam (UvA)

Historically part of the inner-city of Amsterdam

4 Clusters:

- Binnengasthuisterrein, inner-city (alfa)
- Science Park, Watergraafsmeer (bèta)
- Amsterdams Medische centrum, Amsterdam southeast (medical)
- Roeterseiland (gamma)

Research

Research question: what degree of exclusivity do university students desire from the university library?

Two definitions of exclusivity:
1. Excluding or not admitting other things/people
2. Special, extraordinary, stylish

Appropriation – the action of taking something for one’s own use
Collectivity – performing an individual task together
